Dear parent,

The school management is glad to welcome all its students who have sought admission in the session 2024 - 25. We hope that by now your child is comfortably settled in this new environment and is thoroughly enjoying academics as well as other co-curricular activities in the school.

However, with an aim to provide useful information with respect to our systems and expectations thus assisting in the educational journey of your ward at IIS, we have arranged an Orientation Programme on 30.04.2024. Looking forward to meet you in the School Auditorium sharp at 8:30 a.m.

Regards

Mala Agnihotri
Principal
