

Workshop on Green and Smart Schools

IGBC(India Green Building Council) organized a workshop on “ Green and Smart School”. It was an attempt to raise awareness about how deeply connected we are to sustainable environment and how it impact us in our day to day lives.

Jaimini Uberoi(Chairman) IGBC Jaipur , Anand Mishra(Co-chairman) IGBC Jaipur, in their presentation explained how IGBC is involved in bringing sustainability in the nature and why it is important for mother Earth.

To encourage green building concept IGBC experts interacted with the schools for evaluating the impact of their green initiatives and to identify feasibility of reaching Silver/Gold/Platinum performance levels of the prestigious green school rating system.
