04 July, 2016

Dear Parent,

I hope that by now your ward is well settled after the session started in April, 2016. And I am sure that from time to time you are also monitoring and helping your ward in the process.

Keeping in mind that the senior secondary students need a lot of independent time for their self studies, the school has decided to have a regular time table in the school from **Monday to Friday** (w.e.f. 4th July, 2016) with each Saturday earmarked for **extra coaching** for students who joined the session late (new admissions) and those who wish to clear their doubts with the teachers from 07:30 a.m. to 10:50 a.m. as decided and agreed mutually, in advance.

The details of the schedule for Saturdays has been posted on the school website.

We solicit your kind cooperation in the matter, as always.

Thanking you,

Yours sincerely,

Mala Agnihotri
Principal

India International School, Jaipur
Saturday Tutorials
