

Inter house Math Relay Race

The Inter house Math Relay Race – a beautiful combination of Maths and Sports (with equal weightage to both) was held on 25th October 2017.

4 students from each house participated- 2 from grade IX and 2 from grade XI. Math questions were the hurdles in the Relay Race. Students took great interest and participated with full enthusiasm putting in their best efforts to solve math problems quickly yet correctly.

Orchids stood first and the members of the winning team are:

- 1) Vilol Goyal 9C
- 2) Riya Gautam 9D
- 3) Anurag Singh 11C
- 4) Vasu Goyal 11C

Congratulations to the winners!!
