At the campus, boarders will be exposed to a variety of cultural values as well as varied attitudes, a wonderful opportunity for personal growth and development. IIS Hostel is well furnished with all modern amenities and conveniences with an abundant supply of hot and cold water and 24 hrs power backup. The Hostel is under the care of a Resident Warden who maintains personal progress records of the boarders under her care. The hostel is spread on three floors and they are named as per the colour of the floor. Pink Floor is **Ruby House**, Blue Floor is **Sapphire House** and Green Floor is **Emerald House**.

Mess

IIS Hostel has the most modern cooking gadgets, deep freezers and water coolers supplying purified water. Well planned, nutritious, varied, balanced and appetizing vegetarian food prepared under strict hygienic conditions is served to the students at regular meal times. The warden and the staff members eat with the students to supervise their eating habits and promote table manners and the right etiquette.

The watchful eyes of the Director and the Principal always keep strict a vigilance to ensure high quality food preparation, cleanliness and smooth functioning of the mess.

Health & Medical Care:

The Hostel has a qualified doctor assisted by a full time qualified and trained nurse. The infirmary, besides taking care of the health of the students also educates them on hygiene and preventive care which is of utmost importance at the growing stage.

Academics:

Education can and should be both a rigorous and enjoyable process for the child. The boarders are encouraged to learn themselves and grow under the teachers guidance because the school believes that education should be such that it liberates the human mind from the bondage of ignorance and leads towards enlightenment. There are supervised study hours. All boarders belong to a small tutor group led by faculty who is responsible for their welfare and academic progress.

Sports:

Special emphasis is laid on the development of sound health and physique by promoting games and sports on the campus. The Boarders practising different sports present a delightful sight at dawn and dusk – Cricket, Basketball, Volleyball, Table Tennis, Badminton, Athletics, Taekwondo and many such sports events are available to the students under the guidance of trained and qualified physical training instructors. Inter-house and Inter-school tournaments are held regularly. Students of IIS are well recognised at the State and National Level for bringing laurels to the school in the field of sports.

The school offers many positive ways for the students to get involved in various activities. The students are encouraged to develop their own hobbies and interests and also to learn team work and communication skills.
