

## Earth Day Celebrations

Students of International Wing of India International School, Mansarovar celebrated Earth Day with a promise to keep it clean and healthy. The Students from Primary and middle wing spellbound the audience in the morning assembly with their melodious voice singing – “The Earth is my Home”. The little IIS Petals encouraged everyone’s participation in keeping the Earth clean and green. Later in the day, the tiny tots also planted saplings. Various other classroom activities were also conducted to create awareness amongst students to save our Planet Earth and make it beautiful.
