

INDIA INTERNATIONAL SCHOOL

A Heritage of Vision • A Legacy of Innovation

29th March, 2020

Dear Parents,

IIS is grateful to you for creating a concerned environment and for taking good care of yourself. This is in lieu of the Face to Face Annual Orientation Session wherein we interact (the parents, the students and the IIS faculty) to decide the best course of action for your ward.

Congratulations your ward has completed the middle level education. They are at a very important stage of life when we decide the best plan for them.

IGCSE curriculum is a **two year program** and subject choices by a child should be decided on the basis of their Interests, Aptitude and future Career choices for which they need to check:

- Their Scores or performance in different subjects in previous classes
- Indulge in Self Awareness
- Take parents view
- Take mentors view

Remember:

- All Subjects are equally important.
- Should not give in to peer pressure.
- There is no short cut to Success....whatever you may take, you need to put your heart and soul into it.

Also please find enclosed the following:

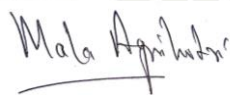

- Option form for admission to class IGCSE Junior with instructions for filling the form.

KINDLY MAIL THE FILLED OPTION FORM WITHIN THREE DAYS SO CAN WE CAN START WITH VIRTUAL CLASSES.

In case of any concern, you can contact Ms. Mukta Khandelwal (Contact- 9772204357, mail id- mukta.khandelwal@icfia.org)

Thanking you,

Best Wishes,

Mala Agnihotri
