

### **World Earth Day -An endeavour of the IB Jrs.**

The International Wing scholars, namely IB Jrs. performed a street play to commemorate the World Earth Day on 22 April 2017. As scheduled this was to happen in the morning assembly, but due to sudden changes in the school timings the assembly was conducted in the class. This decision of the management did not damp their spirits. They decided to do it during the lunch-break.

Sure enough, the sound of the dholak juxtaposed with the sound of the bell gathering a group of students who were curious to know what was happening. More and more joined in. With the joining of more, more enthusiasm joined our scholars. The message given was to sensitise the youth for the scholars know well the importance of sensitising this dynamic generation who can bring about a change in this world. It was a wonderful experience, something that normally does not happen and it takes a lot of guts to do it. God bless these dainty yet responsible petals.
