A Heritage of Vision • A Legacy of Innovation

When Creativity is unleashed amazing results follow and the pursuit of excellence in quality of work, always gets positive results.

Abhiviyakti Ek Prayaas 2007 is the manifestation of creativity unleashed, an attempt of ICGians to pursue excellence in colours, thoughts and thoughtfulness.

The Fine Arts Department of ICG is an icon of our culture, ethos and values. The vibrance and hues of colourfulness exhibited through their artistic work speak volumes of the young talents at work, an exemplary attempt to portray what lies within.

My congratulations to all the budding artists for the 7th **PRAYAAS** made through **ABHIVAYAKTI 2007**.

Department of Fine Arts, ICG

(Established 1996)

It is a synthesis of infinite talent and hard work, headed by Mr. Mahesh Singh, an alumni of 'Kala Bhawan' Vishva Bharti, Santiniketan. The department comprises highly efficient and skilled staff which include Ms. Ujjwala Tiwari, Mr. Shwet Goel, Ms. Priyanka Choudhary, Mr. Giriraj Sharma, Ms. Rachana Nahta and Dr. Amita Raj Goyal.

The Department runs Undergraduate and Postgraduate programmes with specialisations in Applied Arts, Painting and Sculpture.

The consistent efforts and guidance of the faculty members have made fine arts students win laurels at various national, state and intercollegiate level events. The department has a number of well equipped studios for Graphics, Applied Arts, Painting, Sculpture, Photography and Study. The plethora of guest lectures are organised from time to time where exponents of various genres interact with students and impart valuable guidance. The departmental library is a rich resource centre for students.

The alumnae of the fine arts department are well placed & have been able to carve out a niche for themselves in the art arena of the country.

Our vision and dreams turn into reality when encompassed with the able guidance of our 'Gurus par excellence'.

Is This Art ?

(A personal note)

A simple task to see
A beautiful moment to perceive
A complex thought to conceive
Yet an abstract way to experience

Do I identify "ART" as purity?
...for purity dwells in our hearts.

How do I set my limits?
...for limits are a non-constant thought.

Is "ART" dominating?
...for dominance is in my hands.

How do I define "ART"?
...for its application and result may be a dilemma.

How do I give it to the world?
...for I am the inspired not the inspiration.

They say "ART" is a mere movement.
...I feel it like a sudden hush of light.

Can light, the symbol of vitality be silent?
...but sometimes vitality can be speechless too.

Light the coincidence between two contradictions:-
Between how to live and when to die.

These thoughts can be different for different people
...as Kant believed that, "Beauty lies in the eyes of the beholder".

When my vision of light lies in the dark
When my hands tremble with fear
When my path is long and weary
When my stream is unable to flow
When I am alone and uneasy
When I cannot handle the soil
When my life is unsure and uncertain
When my mind is cascaded with doubts
There the river loses its way.
It is at those moments, Sir
That you give me pillars to lean against,
Unbidden support to set me free,
To feel my surroundings,
All clean, and a gleam.

This is but the beginning
...of devotion, and light
...of casting and moulding
...of my first lil' brush with the artist inside.

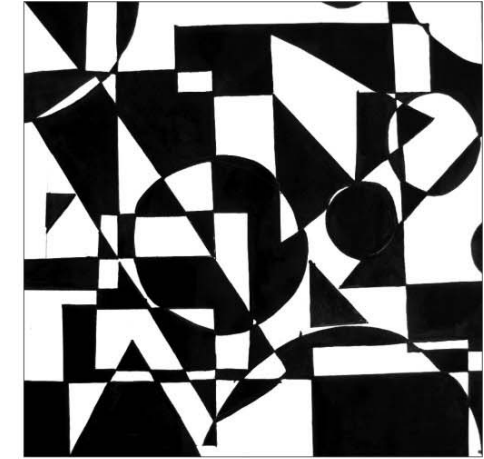

All thanks to you,
Our teachers, our inspiration.
All thanks to your
Unconditional, unselfish guidance and care.

On behalf of all the students of FINE ARTS faculty, I'd like to thank our wonderful teachers and our guiding light Dr. Ashok Gupta and Dr. Raakhi Gupta, without whom we would never have been inspired to fly this high in the vast sky, limitless and azure.
