

Counselling

The Training & Placement cell also provides career counselling to the students of ICG. It helps the students to discover their potential and choose the right career path. Vocational guidance from industry experts is also organised by the cell during the session. Seminars related to various career options are organised to generate awareness and interest of students in off beat courses and careers.

- The Career Counselling is available on all working days between 10am-12noon in the Placement Cell.
- To update the students with the latest career opportunities the TPCC maintains a mini library of journals and magazines like and Employment News, Career 360, The Competition Master , brochures and information schedule of foreign universities.

Counselling/Career Guidance Activities

- **Workshops-** (Preparation of Competitive Exams, Choosing a right career, etc)
- **Seminars-** (Career options like MBA, Civil Services, Defense etc).
- **Guest Lectures-**(Representatives from Foreign Universities, etc)
