Subject: Promoting Health and Well-being through Morning Games

Dear Parents,

We hope this message finds you in good health and high spirits.

In alignment with the National Education Policy 2020 and CBSE's emphasis on holistic development, we are delighted to introduce Morning Games as part of our regular school schedule. This initiative is designed to build a strong foundation of physical fitness, mental well-being, and healthy lifestyle habits among our students.

Research shows that regular physical activity:

- ❖ Enhances concentration and learning ability
- ❖ Improves emotional regulation and stress management
- ❖ Builds self-confidence, teamwork, and discipline
- ❖ Supports better sleep patterns and strengthens immunity

Morning Games Schedule:

🕒 **Time: 7:00 AM to 8:00 AM (on all working days)**

Important Guidelines:

- ❖ Participation is voluntary and requires written parental consent.
- ❖ Students must carry their school uniform to change into after the session.
- ❖ Own conveyance must be arranged by the student.
- ❖ Regular attendance will be recorded.

Activities will include light warm-ups, yoga, basic fitness drills, and age-appropriate games under the supervision of our qualified Physical Education staff. **Students demonstrating dedication and skill will be considered for selection in various sports and athletic events.**

We request your support in ensuring:

- ❖ Punctuality and consistent attendance
- ❖ Proper sportswear and a water bottle
- ❖ Motivation and encouragement from home

Together, let's nurture the importance of a healthy body and an active mind in our children — helping them grow into confident, resilient, and well-rounded individuals.

For any queries or concerns, please feel free to reach out to the class teacher or contact the school office.

Warm regards,

**Dr. Anju Jaideep

Dear Parent

CBSE has decided to implement the policy of two Board Examinations in Class X from 2026 examinations. National Education Policy -2020 stipulated that "To further eliminate the 'high stakes' aspect of Board Exams, all students will be allowed to take Board Exams on up to two occasions during any given school year, one main examination and for improvement, if desired".
