Subject: Implementation of Two Board Exam Policy for Class X – Session 2025-26

Dear Parents,

Greetings from IISS!

We would like to bring to your kind attention an important update regarding the assessment policy for Class X students for the academic session 2025, as per the guidelines issued by the Central Board of Secondary Education (CBSE).

From the academic year 2025 onwards, the Board has introduced a "Two Board Exam Policy" for Class X students. This policy is in line with the recommendations of the National Education Policy (NEP) 2020 which aims to reduce student stress, offer flexibility, and ensure continuous learning and evaluation.

Key Highlights of the New Two-Exam Policy:

1. **Two Opportunities:** Students will now have the chance to appear for Board Examinations, twice in an academic year, first being mandatory.
2. **Best Score to be Counted:** Students can appear in both exams and the best score out of the two will be considered for final certification.
3. **Flexibility:** Students who are not satisfied with their performance in the first attempt can improve their scores by appearing in the second examination.

What This Means for You and Your Child:

- Regular attendance, consistent academic performance, and participation in class activities will be crucial throughout the year.
- Students are encouraged to treat both exam opportunities with equal seriousness.
- We will continue to provide academic support, revision sessions, and guidance to help our students prepare effectively,

Further details and official guidelines will be shared as and when issued by the Board. We request your cooperation in encouraging your ward to stay focused and dedicated in their studies throughout the academic year.

We are organising an orientation session on "Implementation of Two Board Exam Policy for Class X "by the Academic Coordinator for clearing all the doubts or any further queries on 23 August, 2025 (Saturday) from 8:30 am to 9:30 am.

Kindly be seated on time for the session.

Thank you for your continued support and partnership in your child's educational journey.

Warm regards,

Dr. Anju Jaideep

Principal
