Dear Parent

The purpose of the education system is to develop good human beings capable of rational thought and action, processing compassion & empathy, courage & resilience, scientific temper & creative imagination, with sound ethical moorings & values.

IIS, Sitapura has always placed joyful learning & holistic development of students at the forefront and promoted methods & processes that enhance this objective. Holistic development, is the interplay & alignment of mental, physical & psychological factors. With your support we can go a long way in dealing with the behavioural changes, conduct issues or learning difficulties of our children.

Keeping in view, the CBSE Academic Calendar for the Academic Session 2025-26, we aim to strengthen parent school collaboration & enhance student development, by engaging all parents meaningfully in your child's educational journey.

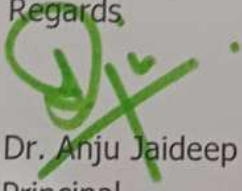

The school plans to integrate the parenting Calendar into its annual academic calendar and implementing the recommended activities effectively. The Parenting Calendar provides structured engagement opportunities, including:

- ☐ Strengthening parent –school teamwork
- ☐ Integrated classroom strategies for parental involvement
- ☐ Parent – child bonding activities and workshops
- ☐ Fostering creativity, trust, and family connections

The school is organising a Positive Parenting Session on 21st June, 2025 (Saturday) at 9:00 am in the School Auditorium. **Major General Anuj Mathur (VSM) (Retd.) has kindly consented to be the resource person.**

We look forward for your benign presence.

Regards,

Dr. Anju Jaideep
