Dear Parent,

At IIS, We CARE.

Looking at the current situation when most of the students are not coming to school, the School Management has been generous enough to offer fee waive off in this session as well.

Kindly note, in this session-2021-22, the school has decided to grant 20% discount on fees.

As per this, those who've already paid the full amount for the first two quarters, the excess amount will be adjusted in the next two quarters.

We are sure you will appreciate this gesture and try and pay up the fees due as soon as possible.

Regards

ISRO Offers 5-Day Free Online Course with Certificate For Students

The Indian Space Research Organisation (ISRO) is inviting applications from school students for a free online course. Through its centre, the Indian Institute of Remote Sensing (IIRS), it is offering a five-day course called 'Usefulness of Remote Sensing and GIS for Environmental Studies'.

Things to know:

The course is open to Indian students studying in Class 10, 11 and 12.

The five-day course will be held between 26 July – 30 July 2021.

The lectures will be screened live on the IIRS YouTube channel.

Every day there will be two online lectures of 45 minutes each. One will be held at 10 am the other at 12 pm.

Participants can get their questions answered by raising questions in the chat box. This will be answered after a five-minute break post the lecture.

Students also have to take a quiz every day based on the lectures.

How to apply?

Step 1: Visit the official website and read through the course brochure and guidelines.

Step 2: Register yourself as a student by entering the required information.

<https://eclass-intl-reg.iirs.gov.in/schoolregistration>

The last day to apply is 20 July 2021.

Once you have completed the five-day course, you will need to provide your feedback and then collect the certificate before 5 August 2021.

**Date –03.07.2021**
