

## **Faculty Development Programme**

IIS, Sitapura conducted a faculty development program for teacher enrichment on 6 April 2021. The session focused on the strategies prescribed by CBSE and NCERT in the Alternative Academic Calendar for the session 2021-22. The calendar proposes Competency Based Education (CBE) which stresses on inclusion of activities and life skills in teaching- learning process. The resource persons were the Heads of the Department and the Coordinators. The session was conducted under the guidance of the Principal, Dr. Anju Jaideep. The session was very informative and interactive.
