

SESSION ON NEP 2020 UNDER CBSE HUBS OF LEARNING

"Education is a great leveler and is the best tool for achieving economic and social mobility, inclusion and equality."

India International School Sitapura organized an interactive session on National Education Policy, 2020 as an initiative under the CBSE Hubs of Learning. The Principals and educators of the 05 cluster schools participated in the session. The resource persons elucidated the various sections of the policy in a lucid manner. Emphasis was placed on experiential learning, vocational education, holistic and multidisciplinary education, happy and joyful classrooms, multilingualism etc.

The session was highly appreciated by the principals of cluster schools.

The Principal, IIS, Sitapura, Dr. Anju Jaideep appreciated the team for the wonderful execution of the programme and encouraged the hub for many more such collaborations.
