

## WINNER OF HEM VALUE NATIONAL EXCELLENCE AWARD

**The secret to winning is constant, consistent management. -Thomas Wade Landry**

It is with great pride and pleasure that we wish to share with you that India International School, Sitapura has been the proud recipient of a trophy and a cash prize for third position, conferred by HEMA Foundation (Humane Endeavour for Moral Awakening) a philanthropic arm of the Ram Ratan Group. The foundation aims to cultivate better and compassionate understanding in children of their responsibility towards self, family, society and the nation.

The award was conferred on **25 June 2021** in a virtual program attended by over thousand schools, teachers and students across India

IIS, Sitapura credits this achievement to the constant support extended by the parents and active participation of the students in various intra and inter level competitions.

With your unwavering support we look forward to more achievements at national and international level.
