

## School Profile

India International School, Sitapura was established in April 2015. It was initiated under the aegis of the Indian Council for International Amity (ICFIA), which also runs three more institutions: the International College for Girls (ICG), India International School, Kshipra Path, Mansarovar and the India International Institute of Management (IIIM).

IISS has grown into what many regard as a premier and elite co-educational institution with talented, energetic and diverse students. Our goal is to provide them with an outstanding education in an intimate and personal setting with a laid emphasis on development of a scientific temper and enhancement of our rich culture and heritage. IISS views 'education as emancipation'; emancipation from all kinds of want. It strives to give its students an education that would enable them to –

- i. acquire skills and abilities necessary to answer the challenges of the modern world and the process of globalization,
- ii. cultivate aesthetic sensibilities and moral values,
- iii. inculcate the spirit of enquiry, self-expression and independent Judgement,
- iv. acquire self-learning, self-study and self-knowledge and
- v. develop a comprehensive world view with respect for all forms of life, expression and belief. We attempt to realize these objectives by relating learning to life and tempering knowledge with wisdom so that our students develop a global identity without losing their roots and sense of belonging, grow into sane and sensible human beings and have the strength of character to uphold the values of freedom and dignity when they are under threat.

It is situated adjacent to Mahatma Gandhi Hospital in a peaceful and clean environment away from the maddening crowd and pollution of the city, nestled in lush green surroundings which are very close to countryside and easily approachable and well connected. This campus will give opportunities to the students to hone their skills not only in the field of academics and sports, but also get closer to the mother earth by adopting and developing the villages around the campus and exposure to carbon positive industries in the neighborhood, in terms of social services by doing our bit in giving back to the society what we owe.

IISS is already recognized by the State Government upto upper primary level (i.e. from I to IX). This will subsequently expand up to Senior Secondary level in the coming years.

## Vision & Mission:

The IISS, in its endeavor to cater to the global need of today's youth, aims to promote and sustain high academic principles while retaining the strong value system and ethics, beliefs in the rich culture of the motherland with an emphasis laid on global standards of education.

The institution aims at uncompromising commitment towards excellence in education. This mission would allow us to accomplish and promote the existing vision of the School – 'A Heritage of Vision, A Legacy of Innovation' and groom globally ethical citizens.

## Our Ideology:

## At IISS, we aspire:

- to transform the dreams and aspirations of the youth into reality by providing an international platform and harnessing latent talents, which will groom and encourage them to take initiatives to face the global challenges in future.
- to promote international academic standards by underlining that academics is not merely restricted to gathering information but attaining knowledge.
- to provide an environment of holistic development and multifaceted growth of the students through perspectives that emphasize on strong communication skills and promoting thereby an inter-cultural awareness.
- to encourage the students to appreciate the natural and artistic realms of life.
- to provide a learning environment in which the students and the faculty are driven by the spirit of inquiry in their quest for knowledge.

**Affiliation**

Affiliated to the Central Board of Secondary Education, Shiksha Kendra Community Centre, Preet Vihar, Delhi as a co-educational Senior Secondary School.

**CBSE Affiliation No.: 1730779**
