Dear Parent,

The School Diary gives directions to all the stakeholders for each session.

This year with the aim to Save on National Resources and Cut Down on expenditure, the school has decided to allow the students to use the last years' diary (2020-21) for:

- General Instructions
- Calendar pages (which will be redone as a Maths Activity as soon as students come to school)

However, for rest of the information, A Supplement (free of cost) will be given to all the students from the book store.

In case a parent wishes to buy this diary (2020-21) it will be available at the Book store at half the cost.

Hope you will appreciate our effort and support the cause.

Thanks & regards

**Mala Agnihotri
