

World Environment Day

The World Environment day was celebrated with great zeal by the students of IIERD, Jaipur in a special assembly held on 7th June 2021. The main purpose of the celebration was to spread awareness about the need and ways to protect the environment.

The assembly began with a special vandana, followed by a small speech by Dr. Deepika Yadav highlighting the importance of mother Earth. To add more color to the day a 'best out of waste' activity was held wherein the students used waste materials to showcase their creativity focusing on the main theme of the

World Environment Day, which was - **Reimagine, Recreate and Restore**. A few students shared videos of the plants they had grown in their surroundings to nurture and protect the environment. Some of them also read out their thoughts and poems to mark the occasion.

Last but not least, a Quiz was also conducted by Dr. Deepika Yadav to raise awareness about the importance of clean and green environment.
