

National Science Day

National Science Day is celebrated in India on February 28 each year to mark the discovery of the Raman effect by Indian Physicist Sir C.V. Raman on 28 February 1928.

On the occasion of National Science Day includes many activities like conducting events. National Science Day is celebrated to spread a message about the importance of science in the daily life of the people. The theme for National Science Day for the year 2023 is **Global Science for Global well being**.

On 1st March 2023, IIERD organized Inter House Science Quiz on the occasion of National Science Day for the students of B.Ed. The science quiz was conducted by Dr. Archana Jain in the AV Hall, Sitapura campus. There were four teams A, B, C, D, representing the four houses Sapphire, Coral, Pearl & Emerald. The winners of the science quiz are as follows:

Position	House	Participants
First	Sapphire	1. Suman Jayaswal 2. Shivani Badoliya 3. Neha Sharma 4. Priyanka Rathore
Second	Coral	1. Monika Yadav 2. Priyanka Meena 3. Shivangi Bhanat 4. Bhuri Bai
