

World Food Day Activity

Activity on world food day was conducted on 16th October ,2019 , keeping in mind the aim to promote international mindedness among students from cpp3 to clsp 8 . Students were divided in group i.e. cpp 3 ,4 ,5 and clsp 6,7,8. First group was asked to prepare a food map of India. The other , was asked to prepare a world map of food of different countries. All these students were given a particular state/country and were asked to bring food of the same . All the students pasted pictures on the enlarged map and discussed about the food dish they brought . Things like the name , ingredients , origin etc. Were discussed in the class.
