A total of 19 teams participated in the event out of which 4 winning teams were awarded with the certificates and were taken to the next round of Hackathon.

COUNSELLING AND OUTREACH FOR PEER EMPOWERMENT (COPE) COMMUNITY'S ACTIVITIES

The 'Centre for Health and Happiness' at the institute has recently entered into a memorandum of understanding (MOU) with Mpower, a mental health initiative established by the Aditya Birla Education Trust. This collaboration aims to provide essential support for addressing mental health issues among the student body. To kickstart this initiative, 25 students were selected to represent the COPE community of the institute and were provided with training by psychologists, Ms. Vishakha Sodhi, Associate Outreach & Content at Mpower, Aditya Birla Education Trust. The training, held on February 5th and 6th, focused on the Youth Mental Health First Aider program and equipped students with the skills to recognize and assist their peers in dealing with mental health challenges. Subsequently, the selected 25 students took on the responsibility of organizing various activities throughout the year to promote a proactive and empathetic approach to mental well-being. The varied activities organized included guest lectures, movie screenings with discussions, quizzes, and musical performances, all aimed at fostering awareness and creating a supportive environment for self-expression and mental well-being within the student fraternity and society.

INDUSTRIAL VISITS

The institution arranges industrial visits to provide students with first-hand experience of the practical aspects of the corporate world. Industrial visits serve as a gateway for students to gain deeper understanding of the industrial environment and its intricacies. Following industrial visits were organised during the year:

- A visit to the Akshaya Patra Foundation, Jaipur was organized on September 11th, 2023 for MBA Students
- MBA Students visited Parle Biscuits Pvt. Ltd., Neemrana, on July 1, 2023, and March 9th, 2024.
- MCA students visited Rajasthan Center of Advanced Technology (R-CAT), Jaipur on April 24th and 25th 2024.

PARICHAYA

IIIM welcomed the new batch of MCA and MBA students to 'PARICHAYA', a three-week-long orientation programme scheduled from September 11th, 2023, to September 30th, 2023. The orientation program offered an exceptional student experience by creating a dynamic learning environment. A great level of enthusiasm was evident through their conduct and participation.

The orientation programme was designed with an emphasis on the mental as well as physical development of the students. It was designed to develop them as corporate athletes. The contents of the program included food for thought, motivational and inspiring insights derived from the experience of eminent speakers to yoga classes that were aimed at developing physical stamina. A mathematical ability test was also conducted to assess the candidate's abilities. Few assessments and tests were organised in due course to give the new entrants exposure related to self-assessment and personality traits, logical abilities, and rational thinking.
