A Heritage of Vision • A Legacy of Innovation

Long live IIS and so does our association!

Greetings from your Alma Mater!

It is high time you connect to your roots and enjoy what it feels like to belong to IIS. The nurturing and grooming you went through to be what you are today. Your Alma Mater invites you to join IIS Alumni Connect-Reconnect, a significant link that joins you to today's youth brigade – the IISians. To be a lifelong member, you need to fill up the given link of Google Membership Form and pay up Rs.2500/-(as the life membership fees).

The membership is open for all who have studied at IIS, not necessarily passing out from IIS. It is our association we cherish. The account details are as follows:
