# DAY BOARDING

INDIA INTERNATIONAL SCHOOL

Dear IIS Community  
This month has been a flight with IIS hitting the headlines as IIS turned 32 two this year. The IIS family celebrated the Foundation Day on July 16, 2022 with our extended family. It was a proud moment for all of us. IISians have done a niche for themselves making us proud. Our 200th Alumna Akshat Goyal stood 2<sup>nd</sup> AIR in CA to add a new plume to the IIS cap.  
Best Wishes  
Ms. Mala Agnihotri (Principal, IIS)

Dear IIS Community  
It is almost two months into this academic year with students well settled by now. Mystic May with the scorching sun along with the resilient IISians striving towards their goals. Let us together applaud their endeavour before we proceed on vacations.  
Looking forward to see the bright smiling faces back in July.  
Best Wishes  
Ms. Mala Agnihotri (Principal, IIS)

Dear well wishers  
This session brought in a new energy with spring coming after a long winter. The IIS campus resonated with the child prattle to the chirping and chuckling of students. Their contagious impact ignited the teaching fraternity with a plethora of activities to suit the taste and mood of every child.  
Keeping in mind the conducive teaching and learning, IIS has initiated the first and third Saturday as the bagless days for students, whereby, they will be exposed to a number of fun filled, productive activities. Looking forward to your support and guidance like always.  
Warm regards
