

Dear Parents,

Greetings from India International School! Congratulations to all our grade 10 and 12 scholars. We are extremely happy to celebrate the success of our students in the recently declared Board Examination results. It is their hard work, determination and resilience that has truly paid off. Our applause is for each one of them who has not only excelled, raising the bar but also outdone themselves making us extremely proud. We wish them to keep this spirit intact which will make them grow leaps and bounds in all their future endeavours. In class 12, Vanshika Gupta with an exceptional 98.8% is the School and Humanities topper followed closely by Shriya Kothari with 97% who is the Science topper. Kanishka Jain at 96.4% is the Commerce topper. In class 10, our scholars outshone all others with the School topper Aashi Jain, having scored 98.8% and Yuvika Saxena at 98.6%. All this would not have been possible without the dedicated mentorship of our teachers and the constant support of our parents. We take this opportunity to thank you all for the continued trust and faith that you have always shown in us. Our students' happy smiling faces are reward enough for all of us.

Warm regards

Team IIS
