

26th Aug, 2025

Dear Parents,

SWAYAM (Study Webs of Active-Learning for Young Aspiring Minds) for school education offers free online courses for Students of grade 9 to 12.

Students of grade 11 & 12 are advised to visit the SWAYAM Portal to access video lectures, e-content, self-assessment tests based on NCERT curriculum to help them learn at their own pace and improve their understanding of subjects. Sharing with you the steps to access the SWAYAM courses and enroll for the courses available.

A) Step to access SWAYAM courses:

1. Visit the SWAYAM portal – <https://swayam.gov.in>
2. Click on “Sign In / Register.”
3. Select “Sign Up Now.”
4. Enter your name, email ID, create a password and verify your email.
5. Choose your educational level (e.g., school, college).
6. Fill in the required details and submit the form.
7. Log in using your email and password to access courses.

B) Steps to Enroll in a SWAYAM Course:

1. Log in to swayam.gov.in
2. Click All Courses.
3. Search or browse your course of interest.
4. Click the course and select Enroll Now.
5. Confirm details → Submit.
6. Find your course under My Courses.

Regards
IIS, Jpr
