

INDIA INTERNATIONAL SCHOOL

A Heritage of Vision • A Legacy of Innovation

8th July, 2025

Dear Parents,

We are committed to providing a safe and comfortable transportation experience for our students. Our buses are equipped with advanced safety features (as mentioned below) and staffed with experienced drivers and attendants:

- CCTV cameras
- Real time GPS tracking
- Panic buttons for emergency situations
- First aid/ medical kits
- Fire extinguishers
- Safe boarding and deboarding procedures

In addition to the above, we are excited to announce that we are in the process of upgrading our school buses with new, durable seat covers. This enhancement not only improves the overall look of our buses but also ensures a more comfortable ride for our students.

We are dedicated to providing a secure and reliable transportation service. In case you have any concerns or questions, please feel free to reach out to us on iis@icfia.org

Thank you for your continued trust and support.

Warm regards

Nidhi Mishra
Principal
