*A Heritage of Vision • A Legacy of Innovation*

18<sup>th</sup> March, 2025

Dear Parents,

We hope this letter finds you well. As we step into a new chapter at India International School (IIS), we take a moment to express our gratitude for the trust and support you have shown towards our institution over 36 years.

With the passing of our beloved father, **Dr. Ashok Gupta**, founder and Director of IIS Network, the responsibility of carrying forward his vision now rests upon our shoulders. We, **Amit Gupta (Chairperson) and Sumit Gupta (Co-Chairperson)**, are deeply honored to uphold his legacy and committed to taking IIS to greater heights.

Our father was a pioneer in education, and his principles of academic excellence, integrity, and student-centric learning will continue to be the cornerstone of IIS. Our vision is to build upon the strong foundation he laid, ensuring that IIS remains a leader in holistic education that nurtures young minds to be future-ready global citizens.

### **Exciting Plans for IIS**

To elevate the learning experience and provide students with the best opportunities, we are introducing several new initiatives:

- **AI & Robotics Lab** – Providing hands-on experience with emerging technologies.
- **Guest Speaker Series** – Hosting renowned experts for industry exposure and inspiration.
- **Upgraded Infrastructure** – Air-conditioned classrooms on the third floor of the CBSE wing and smart board-equipped classrooms for Grades 1 & 2. Investing in better infrastructure and learning tools for our very centrally located campus in Jaipur.
- **Enhanced Campus Facilities** – Establishing a dedicated housekeeping team for a cleaner and more welcoming environment.
- **School Integrated Program** – Introducing an advanced academic program for students from Grade 8 onwards, with expert faculty in Physics, Chemistry, Biology, Mathematics, and Mental Ability. This program will prepare students for Olympiads and competitive exams while strengthening their CBSE foundation. (A survey form will soon be circulated to gather parent feedback.)
- **Launching Mass Media** as a skill-based subject for Grades 6 to 8, equipping students for today's media-driven world.

We believe these initiatives will enhance the overall educational journey and provide students with the skills, knowledge, and confidence to excel in their future endeavors.

### **Our Commitment to Excellence:**

- **Experience & Leadership** – With over 28 years of experience in transforming startups into industry leaders, we bring the same passion, discipline, and strategic vision to IIS that helped establish TAB as a global leader in natural stone and quartz processing, with operations spanning Jaipur, Bangalore, Minneapolis, and Barcelona.

# INDIA INTERNATIONAL SCHOOL

*A Heritage of Vision • A Legacy of Innovation*

- **Groomed for This Transition** – Personally mentored by Dr. Ashok Gupta, we are deeply committed to upholding his legacy while introducing fresh perspectives to drive excellence and innovation.
- **Proven Entrepreneurial Success** – As founders of TAB, a multinational enterprise with over 1,500 employees and global operations, we bring extensive expertise in strategy, operations, and innovation, ensuring IIS continues to thrive.
- **Commitment to Non-Profit Education** – We firmly believe that education is a noble pursuit, not a commercial venture. Our institutions will always prioritize academic excellence, student growth, and the highest educational standards

## What makes IIS stand out

- Centrally located
- Comprehensive conveyance facility available throughout the city, with more routes to be added
- Multiple curriculum options – CBSE, IGCSE, and IBDP.
- Proven track record of excellence in board results and Olympiads.
- Atal Tinkering Lab - Innovation Hub, fostering scientific temperament in students.
- State-of-the-art facilities, including an air-conditioned Senate Hall for seminars and an air-conditioned auditorium for cultural events.
- Discipline as the hallmark of IIS, ensuring a structured and focused learning environment.
- Strong value systems instilled in our students to shape responsible global citizens.
- Well-qualified, experienced, and passionate teachers, many of whom are CBSE Resource Persons and regularly participate in capacity-building programs.
- A conducive learning environment that supports academic rigor and intellectual curiosity.
- Comprehensive school health and well-being programs to nurture students' physical and mental health.
- NCC troupe at IIS recognized as the best, winning Silver and Bronze awards.
- Futuristic education focusing on the holistic growth of students.
- Experiential learning through educational trips, including visits to the Vidhan Sabha, art galleries, nature camps, and industry sites.

## The Road Ahead

- **Enhanced Communication** – Open-door leadership, ensuring accessibility to students, parents, and faculty.
- **Industry Integration** – Strengthening partnerships with leading organizations for hands-on learning and better career guidance.

*A Heritage of Vision • A Legacy of Innovation*

- **Global Collaborations** – Exploring partnerships with top universities worldwide.
- **Rebranding our communication** – strengthening our presence and engagement with better visibility and branding

Our father's legacy will continue to inspire us as we embark on this journey with renewed energy and vision. With your trust and support, we are confident that IIS will scale even greater heights.

Thank you for being an integral part of the IIS family. We look forward to working together to build a bright future for our students.

**Warm Regards,**

Amit Gupta
