

**INDIA  
INTERNATIONAL  
SCHOOL**  
*A Heritage of Vision • A Legacy of Innovation*

21<sup>st</sup> March, 2025

Dear Parents

In today's competitive world, the right foundation at the right time is the way to success. With this firm belief, IIS has collaborated with **Narayana Institute** to provide School Integrated Program to its students of classes 9 and 10 – 2025-26

This program is aimed at preparing our students to **excel in the Olympiads** and other competitive exams at the same laying a strong **foundation for IIT –JEE -NEET**

Focusing explicitly on Science, Mathematics and enhancing Mental Ability, the program will also help strengthen academic concepts. The expert faculty will guide students for their school subjects viz Physics, Chemistry, Biology, Mathematics and Social Science. Additionally, these classes will be held during the school hours.

The program comes with abundant benefits and we assure you that our collaboration with the best in the city is going to be fruitful for our students. We invite you to join us for an enlightening, informative session with **Ms. Anuja Arora** who has kindly consented to be here to share all details about the program and answer any query that you may have.

Please find below the details of the session:

Date- 24 March 2025

Time- 9:00 a.m

Venue- IIS Auditorium

**It's not an opportunity to be missed. We urge you to make the most of it.**

**Regards**

**IIS, Jpr**
