19th March, 2026

Dear Parents,

This has reference to the CBSE Circular No. CBSE/LOC/X/2025-26 dated 17th March, 2026 regarding the list of candidates for **Class X Second Board Examination – 2026**.

Sharing with you once again the important points w.r.t the same (applicable to our students):

- All students who pass the First Board Examination are eligible to appear for the Second Board Examination to improve their performance in any of the three subjects out of Science, Mathematics, Social Science, English and Hindi/French/Sanskrit.
- Students whose result in the First Board Examination is Compartment, such students are allowed to appear in the Second Board Examination under Compartment Category.
- Students who had opted Mathematics Basic (241) in the First Board Examination and now want to change their subject to Mathematics Standard (041) can appear in the Compartment Category for Mathematics Standard (041).

You are advised to fill up the attached Google Form indicating your choice for appearing/not appearing for the Second Board Examination.

We advise you to take a wise decision w.r.t the same and avail this facility of appearing for the Second Board Examination only in dire need.

The classes for grade XI – academic session – 2026-27 will commence from 2nd April 2026, which please note.

The duly filled in **Google Form must be submitted latest by 20th March 2026**, as we have to forward the tentative school data for the Second Board Examination to CBSE by 25th March 2026. **However, CBSE will finalize this data only after 3 days of the class X Result Declaration.**
