Pathways to Conducive Learning

The Future Looks Bright

Newsletter July 2025

Mr. Amit Gupta

Chairperson

In every child's smile, we see your trust – thank you for walking this journey with us hand in hand. Together, let us sow the seeds of love, learning, and limitless potential.

Best Wishes

DIRECTOR'S MESSAGE

Mr. Sumit Gupta

Director & Co-Chairperson

Thank you for entrusting us with your child's journey – together, we nurture not just learners, but leaders of tomorrow.

Best Wishes

Ms. Nidhi Mishra

Principal

Dear Parents

The Summer break has definitely rejuvenated the young IISians and this is visible on the campus as they toggle from one activity to the other winning laurels, keeping themselves engaged, satiated and innovative. Feel proud to see your ward do well.

Little Toddlers in Calligraphy Competition

The Calligraphy Competition for the Junior Wing IISians was conducted on July 4 for Grade-2 and July 12 for Grade 3, 4 & 5 wherein, every child participated with full zeal and enthusiasm. Three best were picked from the class. Their names are :

Class 2	Class 3	Class 4	Class 5
Deepakshi Jain	Padmaja Jangid	Ridhima Birla	Khwaish Jain
Anayesha Kumawat	Shanaya Soni	Chinmayi Kumawat	Shambhavi Savatkar
Bhagya Ranwa	Lakshika Sharma	Rudrakshi Bhatt	Anaisha Saxena

The **Eklavyas** of IIS Pay Tribute to their **Dronacharyas**

10th July, 2025 witnessed the amphitheatre decorated with flowers, enthusiastic students, all charged with vigour to greet their Gurus. The Dancing Divas in large numbers danced with grace and poise in perfect finesse to suit the mood. Students expressed their gratitude with impactful speeches. The Principal, Ms. Nidhi Mishra spoke on the occasion, highlighting the significance of mentors. She also appreciated the endeavour of the students and blessed them.

GURU PURNIMA

DUTCH VISIT >>>>>

Bridging Borders Cultural Exchange

In a remarkable celebration of cross-cultural exchange and global collaboration, India International School welcomed two Dutch delegations during two enriching visits held from 9th to 15th July 2025. These visits were part of a broader initiative aligned with the United Nations Sustainable Development Goals (SDGs), emphasizing intercultural understanding, sustainable practices, and international cooperation in education.

A variety of thoughtfully planned activities highlighted the essence of both cultures. The students and the guests indulged in the Tie and Dye Workshop enjoying the colourful Indian Textile art form, timeless tales from India and Netherlands came to life, fostering connection through shared narratives and values during the Storytelling sessions. As part of the school's multilingual initiatives, the delegation witnessed the French Day observation with performances, exhibits, and linguistic enthusiasm that added a global dimension to their visit. Special Indian classical and folk dances were showcased and taught during the Dance Workshop with delegates' active participation. Indigenous Games played brought a spark igniting the spirit of the age old cultural sports. The exchange of handcrafted tokens and memorabilia served as heartfelt symbols of gratitude and friendship. Beyond activities, the visit sparked meaningful dialogues around sustainability, heritage, and education, inspiring students to think beyond borders and recognize their role as global citizens.

हिन्दी सुलेख प्रतियोगिता

इंडिया इंटरनेशनल स्कूल में विद्यार्थियों की लेखन शैली को निखारने और हिंदी भाषा के प्रति उनके प्रेम को प्रोत्साहित करने के उद्देश्य से दिनांक 11 जुलाई 2025 को हिंदी सुलेख प्रतियोगिता का आयोजन किया गया। इस प्रतियोगिता में कक्षा 2 से 5 के विद्यार्थियों ने उत्साह पूर्वक भाग लिया।

विद्यार्थियों की लेखनी में अक्षर संयोजन, पंक्ति संतुलन, स्वच्छता और सजावट जैसे पहलुओं को ध्यान में रखकर निर्णायकों द्वारा मूल्यांकन किया गया।

La Fête de l'Amitié

Celebrated with Joy and Cultural Zeal

The school came alive with color and cheer on 14 July 2025 as students celebrated La Fête de l'Amitié, showcasing the vibrant essence of French and Japanese cultures in the Amphitheatre. The event, led entirely by students, featured melodious French songs, elegant ramp walks, and energetic dances. The highlight was a mural of the Eiffel Tower blending into Mount Fuji—symbolizing unity through art. The Dutch delegates from Netherlands also witnessed the program and extended their warmth across borders, making the celebration even more special. Every element reflected student enthusiasm and creativity. It was a true celebration of friendship, cultural exchange, and youthful energy.

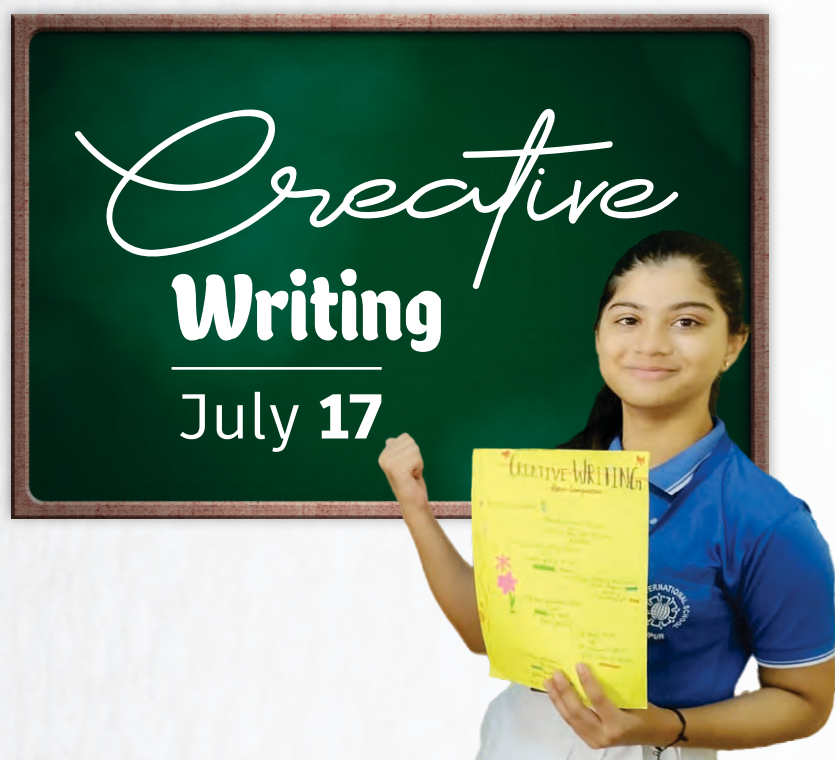

Bastille Day

14 July

Budding Bards Compete

Students of the Middle Wing were in competition on 17 July to decide the upcoming bard. The theme was comprehensive ranging from Mothers to Nature. The classroom scenario was peppered with both ambition and aptitude which always gives birth to creativity.

Scaling New Horizons as IIS Turns 36

July 16, 2025 witnessed a new scenario at the IIS Campus as the IIS Network fraternity was caught in a dilemma between the joy of legacy and the ache of absence. Absence of the very architect who laid brick by brick the very foundation and groomed and nurtured it with a focused vision and integrity turning it into a mammoth empire named IIS Network. This red letter day marked the 36th Foundation for IIS and the 31st Foundation for IISU. A congregation of educationists, well-wishers, alumni, family and friends graced the occasion to pay their tribute to the God Father of education, Dr. Ashok Gupta Sir.

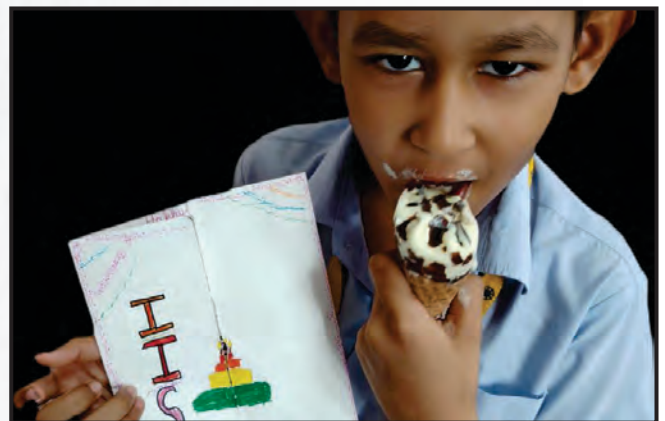

The occasion was not just a celebration, but a rededication – to uphold the spirit, the standard, and the service envisioned by the Patron, Dr. Ashok Gupta Sir. The Co- Founder Ms. Vijaya Gupta, the Chairperson Mr. Amit Gupta and the Co-Chair person Mr. Sumit Gupta welcomed the guests and offered mementos as a token of appreciation. This was followed by a short cultural cum musical tribute with a difference.

However, this was not all, for the second segment of the tribute was the release of a music composition composed by the music teachers of around 40 CBSE schools of Jaipur under the guidance and mentorship of the renowned musician Pt. Vishwa Mohan Bhatt Ji. This was sponsored by the Chairperson Mr. Amit Gupta in a joint effort by “Saanjhi,” and The Jaipur History Festival, with the annual theme “Mental Health and Well Being” in a musical therapy session attended by the CBSE teachers from around 40 Schools of Rajasthan. This composition has compatible diverse short musical pieces to suit different moods of students. These short melodious pieces will replace the electronic school bell, breaking the tedious monotony of the repetitive rhythm. In line with this, The Centre for Happiness – IISU launched their Happiness programme for schools. The student fraternity looks forward to this innovative venture.

On Foundation Day, our esteemed alumnus **Rohit Verma** gave back to his alma mater in a sweet gesture. He treated all the students to Fru Bon ice cream cones, courtesy of his own business venture. The students thoroughly enjoyed the special treat, making the day even more memorable."

A Symphony of Smiles

The vibrant enthusiastic three day Junior Extravaganza was initiated on July 21st with the dainty petals of Grade 1 and 2 giving a lead to be followed by Grade 3, 4 on 25th July and The Play House and Grade 5 on 26th July 2025. This event being the highlight of inclusivity and conducive teaching and learning at IIS, holds the highest pedestal when one talks of unleashing every child of inhibition, giving the right platform to every child to exhibit their talent.

The eminent judges on all three days were given the arduous task of judging these jewels. They were dazed at the undaunting performance of these tiny magicians that stole the limelight at this tender age. Where the Grade 1 toddlers danced to the beats, the Grade 2 petals ramp walked the stage giving complex to the seniors with their elegance and poise. The dancing and singing of the little angels of Grade 3 and 4 was incredible and ofcourse, the tiny toddlers of the Play Group with Grade 5 IISians brought smiles along with a sense of pride on every parents' face. It was a jaw dropping performance that mesmerised the parents who were the audience.

The Principal IIS, Ms. Nidhi Mishra blessed and motivated the students. The day ended with smiles, pride and contentment as parents were assured their ward was in the best hands. IIS, being the gardener takes great pride in grooming these young IISians into becoming the leaders of tomorrow's Bharat.

The Mental Maths

The grey minds of the champions of the Junior Wing were seen participating on July 28, 2025. This was conducted with an objective of enhancing the calculation and problem-solving skills, arousing the interest and confidence in Mathematics.

IIS Once Again Takes a Mammoth Leap Into the

World of

AI

The Centre for STEM Learning at India International School was formally inaugurated by our Co- Founder, Ma'am Vijaya Gupta and the Chairperson Mr. Amit Gupta. This initiative marks a significant milestone in fostering innovation, inquiry-based learning, and future-ready skills among students through STEM education.

The inauguration began with the ceremonial ribbon-cutting, followed by a guided tour of the lab and live demonstrations by the students.

The Chairperson, Mr. Amit Gupta, addressed the students and shared his inspiring views on the importance of STEM education in shaping future innovators. He encouraged students to explore, experiment, and embrace technology as a tool for creative problem-solving and global impact. With a huge leap into futuristic education for the young aspiring IISians, Sir also highlighted the ongoing infrastructure developments at India International School, which include the installation of air-conditioning in classrooms on the third floor, upgrading

of school buses, upgraded ergonomic furniture for enhanced student comfort, improved lighting, and modernized learning spaces designed to promote collaboration, creativity, and innovation.

Honoring **Abhishek Dangi**

A Tribute to Excellence

The 14th Inter-School Abhishek Dangi Memorial Debate in the A.P.J Abdul Kalam Auditorium witnessed budding orators from different prestigious institutions, each trying to argue their perspectives. This was a two-day event that initiated on 30th July and concluded on 31st July 2025, the first being the qualifying round wherein the 11 participating teams spoke impromptu on the given topic. Six teams qualified for the debate to be held on the second day.

The topic for the debate was sensational and apt for the present global scenario, keeping the participants abreast with the nuances of diplomacy: "Soft Power is More Effective than Hard Power in International Affairs." Abhishek Dangi's parents were the Guests of Honour for the event. Distinguished judges graced both days of the event, maintaining the prestige and decorum of this legacy debate at IIS. The Principal applauded the participants' efforts and motivated the students.

Aarav Jain of Delhi Public School, Jodhpur was adjudged the Best Speaker for the Motion, whereas, Tavishi Verma of IIS Mansarovar, Jaipur was adjudged the Best Speaker Against the Motion.

The Rolling Trophy was a tie between IIS Mansarovar and DPS Jodhpur, but, IIS, being the host school gave the trophy to DPS Jodhpur.

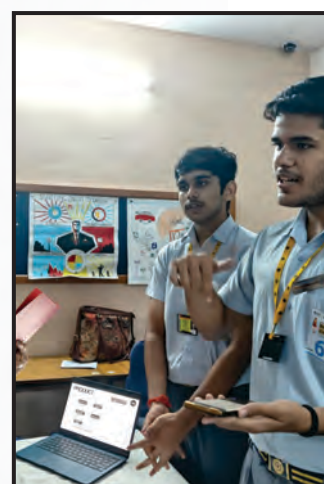

IISians Win Laurels at Inter-School Competitions

Upcoming

ENTREPRENEURS

Students from India International School, Mansarovar Jaipur participated in the "School Exhibition and Workshop on Science & Business Models" organised by IISU Incubation Center where 16 teams from various schools presented their innovative science and business projects. Divyaanka Singh and Dhariya Sharma secured the third position winning a cash prize of ₹3000 for their prototype 'Kohl' that converts carbon emissions from vehicles into ink—a creative and sustainable solution to pollution. Another team comprising Yuvika Saxena and Charvi Saxena, received a consolation prize for their project "Thrust Master – The Manjhi," which focused on innovative thrust mechanisms.
