

INDIA INTERNATIONAL SCHOOL

*A Heritage of Vision * A Legacy of Innovation*

21 November, 2024

Dear Parent,

Greetings from India International School!

This session has almost come to an end and before we initiate the next session, it's time we together reflect on it. Your ardent support and cooperation helps us serve you better. Unfortunately, it has been observed that the payment of fees is often unintentionally flouted – a cause of inconvenience, to run the school smoothly. To avoid this, please adhere to the following:

- For every quarter, Fees to be paid timely as per the date specified (Reflected in the School App)
- If unable to pay timely due to unavoidable circumstances, the concerned parent should pay the same by the 30th of that month, failing which a fine of Rs. 1000/- will be added to the fee for that quarter by default.
- The conveyance charges to be paid timely, a relaxation of seven days will be given, failing which a fine of Rs. 100/- per month will be added for that quarter by default.
- The Due Date for the last / 4th instalment for the session 2024-25 is 7th January, 2025.
- Request for a fine waiver will not be entertained, which please note.
- We know you will understand how monetary barriers impact negatively, hampering the services that we wish to provide you.

IIS looks forward to your support as always.

Regards

IIS, Jpr
