

Dear Parents & Students,

PLEASE NOTE:

This has reference to CBSE Circular No. CBSE/SE/DS/2024 dated 25th September, 2024.

Sharing with you a comprehensive Career Guidance Book that has been developed by PSS Central Institute of Vocational Education (PSSCIVE) in collaboration with United Nations Children's Fund (UNICEF) India. This guide offers invaluable insights into various career options, skill requirements, and pathways to success, making it a vital resource for students.

A standout feature of this Career Guidance Book is the inclusion of 500 Career Cards. These cards outline key responsibilities, required qualifications, and potential career trajectories in a user-friendly format, ensuring that career exploration is both engaging and informative.

We are confident that this book will help students understand the steps required to achieve their goals and make informed decisions about their career choices.
