

25th October, 2025

Dear Parent,

I am pleased to share with you the School Report highlighting the progress and achievements of the school during this session.

This year, we faced an irreplaceable loss with the passing of our Founder, Dr. Ashok Gupta Sir — a visionary educationist and our guiding light. Yet, his values continue to inspire us as we carry forward his legacy. Under the dynamic leadership of our Chairperson Mr. Amit Gupta and Co-chairperson Mr. Sumit Gupta, IIS moves ahead with renewed purpose — striving for excellence, integrity, and compassion.

I take pride in sharing our school's progress and vision for the future.

IIS has made a remarkable leap into the world of AI with a state-of-the-art Robotics & AI Lab, fostering innovation and future-ready skills through STEM education.

The school is undergoing rapid infrastructural upgradation — classrooms now feature new furniture, the Computer Lab has been revamped, the entire third floor is air-conditioned, and washroom renovations are in progress. Transport facilities, including buses and GPS tracking, have also been enhanced.

Academic excellence is being encouraged through scholarships for meritorious students of Grade X. Interactive panels in Classes 1 and 2 have made learning more engaging and joyful. The management is also promoting carbon neutrality, giving the campus a greener look appreciated by parents, while students delight in occasional healthy surprises on their bus rides home.

Our Chairperson's vision goes beyond IIS, inspiring initiatives that impact education at large. On the 36th Foundation Day, in partnership with JHF and Saanjhi's Mental Health & Well-being initiative, he launched a pioneering project — replacing traditional school bells with soothing, mood-based music — soon to be adopted across the state.

For 2025–26, IIS has been nominated by CBSE as Jaipur's sole Hub School for the Counselling Hub & Spoke Model, guiding and mentoring 11 Spoke Schools to ensure consistent, high-quality counselling services.

The school's theme this session is mindfulness, placing mental health and well-being at the forefront. The Art of Living sessions at IIS promote emotional balance, stress management and life skills, fostering a positive environment for students and the staff.

IIS provides comprehensive counselling at all levels, including outsourced Career Counselling for Grade 8 to 12 through collaborations with IDP, KIC UnivAssist, and Edlearn, connecting students with global university experts for personalized guidance. A Special Educator also supports students with specific learning needs.

The school conducts awareness sessions on safety, self-care, and relevant laws, alongside health checkups for all students focusing on their well-being.

Other Major Highlights:

- The new Ambassadors on Campus initiative strengthened alumni connections, complemented by industry visits for experiential learning. With the Alumni Council now registered as a society, IIS looks forward to fostering an even stronger bond with its alumni.
- The second edition of TEDx IIS Youth, themed 'Breaking Boundaries' was met with great enthusiasm, highlighted by our young speaker Prisha Gupta.
- IISJr.MUN'25 was initiated with the participation of elite schools from Jaipur.

- A Book Fair that catered to every age with a vast range of genres was organised to harness the reading acumen of the students.
- Our alumnus, Ms. Anshita Gupta conducted a workshop for students of grade 5 & 6 on lessons on Gratitude, instilling in them a sense of appreciation and thankfulness.
- IISians connected through Art, with the specially abled students of Disha Foundation fostering empathy for a better tomorrow
- We believe in community connect providing learning opportunities to others in the city.
 - In collaboration with Chatrapati Shivaji Maharaj Vastu Sangrahalay, IIS brought to Jaipur the “Museum on Wheels” for all students of the city to engage them with art and architecture beyond the walls of the museum.
 - We were the first in the city to organize the STEM DLD Workshop uniting educators and experts from leading schools to share ideas and best practices in STEM education.
- The Peace Bench at IIS symbolises unity, helping young minds develop a peaceful perspective of the world.
- IIS hosted 2 Dutch delegations in July 2025 and one virtual exchange programme organised by the embassy of Japan celebrating Cross Cultural exchange & global collaboration.
- The Theatrical Club showcased the Annual Shakespearian Drama, The Merchant of Venice exhibiting the theatrical acumen of the scholars
- Celebrating Mother’s Day is a cherished IIS tradition that beautifully nurtures love and gratitude for mothers.
- The 10th Chapter of IISMUN’25 saw IISians adorn the diplomats hat, debating and resolving international issues.

- Labour Day – May 1st was celebrated with the helping staff, exhibiting dignity of labour with tokens of appreciation.
- This year's Junior Extravaganza was a spectacular success, with stellar performances that empowered Grade 1–5 students, building their confidence and stage presence.
- Our 8th graders gained hands-on experience of the electoral process, with student candidates for Marshal and Vice Marshal, demonstrating leadership, presenting agendas, and campaigning for votes.
- The Science Behind toys activity for grade 8 saw students exploring new scientific concepts through hands on experimentation.
- The FM Radio 7 provides a unique experience giving valuable exposure in media and communication.
- 29 IISians took their maiden flight as authors when IIS registered with BriBooks. Aanya Gupta and Ishaan Gupta were the proud recipients with their names listed in National Young Authors Fair.
- The Swachhathon Fun Run was well received by students as it merged fitness with community service.
- To preserve and give a boost to our Cultural Heritage, IIS celebrates all important days and festivals with equal zeal and fervour.
- The 5 houses at IIS keep the IISians engaged all through the year in healthy inter-house activities that help them compete, grow and build camaraderie, strengthening the bond never to break.
- The IBDP Jr. Scholars got a unique opportunity to add to their profile the Ed-excel qualification. This will help them earn credits to get admissions to various universities across the globe.

- Rigorous vocabulary enhancement and instilling academic integrity, alongside focusing on experiential learning, community service and research work saw students thrive like never before.
- The IIS Student Council fosters unity, service, and excellence, shaping confident and compassionate leaders.
- Our NCC cadets continue to make us proud — Bhavya Marwal and Sarthak Gupta represented the Rajasthan Directorate with their innovative project on removing oil spills from Oceans to save the environment and met the Prime Minister. During Operation Sindoor, NCC cadets also conducted sessions on vital wartime precautions and actions.
- The IIS School Band resonates with rhythm and pride, showcasing discipline, harmony, and the true spirit of our institution.
- The newly introduced IIS Interact Club empowers students to serve the community while embracing Rotary ideals of compassion, integrity, and service.
- The teaching and learning Term 1 showcasing, done during the PTM brought in transparency bringing in a renewed vigour in the faculty as well as the students.
- With diverse teaching methods, enriching activities, extra classes in school as well as online, IIS has tried to bridge the learning gaps and provide individualized support.

❖ **Coming to the Board Results 2025:**

- **We had excellent Board Results this year at SSE, SSCE, IGCSE and IBDP examinations. The SSE topper Aashi Jain scored 98.8%. We had 20 students scoring 95% & above and 67 scoring 90% & above. Vanshika Gupta, the SSCE & Humanities topper was at 98.8%. Shriya Kothari – the Science topper was at 97%, and Kanishka Jain – the Commerce topper**

scored 96.4%. Many students from grade X and XII scored full marks i.e. 100/100 across various subjects.

- Kabir Sahni was the IBDP topper. 33% students scored a perfect grade point in Extended Essay & Theory of Knowledge with many scoring grade point 6 out of 7 in various subjects. Yuvaan Sharma & Ishita Bansal were the IGCSE toppers scoring A* in various subjects.
- Our students have made it to the Top Universities worldwide & are excelling in their chosen fields.

❖ This year, IIS launched the School Integrated Program for Grade IX in collaboration with Narayana Institute, providing a strong foundation for future competitive exams. The program will continue for Grades IX and X in 2026–27.

- The Innovation Hub, guided by Prof. Y.K. Vijay, ignites scientific curiosity and shapes the scientists of tomorrow.
- Our educational visits, trips, and tours offer students unique opportunities to explore, discover, and learn in real-world settings.
- Aligned with NEP 2020, multilingualism at IIS fosters linguistic diversity, resilience, and adaptability.
- The girls' hostel for Grade 9 onwards at the ISIM campus offers a safe, nurturing space, empowering them to grow into confident, compassionate, and capable young women ready to make a meaningful impact.

❖ We arranged Orientation Sessions for students & parents for a seamless beginning, transitions & new initiatives.

❖ IIS is a name to reckon with, in the sports arena.

The Morning Academies at IIS have become dynamic hubs of sporting excellence, driving enthusiastic participation and remarkable student performance.

Our students have consistently excelled in sports, winning trophies and medals at premier inter-school events like the NMS Cup, Sangam Fest and the Maharaja Prithviraj Tournament to name a few.

They also showcased outstanding skill and dedication at CBSE Clusters, SGFI, and ISSO championships.

- **I take pride in sharing the major achievements of the IIS Sports Champions:**
 - Riya Yenendra of IIS World School has bagged her first International Gold Medal in Taekwondo at the ISSO National Taekwondo Championship held recently in Mumbai.
 - Abhikriti Pradhan, IIS Skating Champion represented India in Nepal winning the gold medal.
- **The National Level Champions who make IIS proud are:**
 - Stuti Rathi & Pravit Arora for Gymnastics.
 - Sunidhi Chauhan & Annika Garg, for Shooting.
 - Suhasi Verma, Deshna Jain, Advika Agrawal, Ameya Soni and Aishvi Agarwal for Badminton.
 - 4 Rudranshika Parashar for Boxing.
 - 5 Harshika Sharma for Archery.
- **. Our State Level Champions are:**
 - Yoshna Kumawat – for Archery.
 - Preksha Hurkat, Khyati Khanna, Raghvi Gera, Soumya Sharma & Yashasvi Sharma for Badminton.
 - Michelle Massey for Cricket.
 - Navna Singh, Veera Chopra, Charchit Saini, Ishika Choudhary & Mayra Aeron for Football.
 - Pratyusha Sharma for Table Tennis.

❖ **Coming to our Achievers in other areas:**

- **Our students brought recognition and laurels to the school by excelling in various Inter School Competitions ranging from Debates to Business Pitch Competitions, Art Competitions, Admad Show, Painting Competition, Shlok Recitation, Mime Competition, Food Wizard Chef Competition, Nukkad Natak, Costume Carnival and Quiz Competitions to name a few.**
- At the Inter School Exhibition & Workshop on Science and Business models, Divyaanka Singh and Dhairya Sharma secured the 3rd position winning a cash prize of Rs. 3000/- for their prototype 'KOHL' that converts carbon emissions from vehicles into ink --- a creative and sustainable solution to pollution.

- Yuvika Saxena and Charvi Saxena received consolation prize for their project - 'Thrust Master- The Manjhi' which focused on the innovative thrust mechanism.
- Pehoo Gaur, Samridhi Negi and Navya Sharma won the 1st prize in the Science Hackathon Competition at the Science Congress.
- Pranav Golyan, Jiyansh Sharma, Labhansh Agarwal, Aditi Golyan & Akshit Khullar were selected for Maker's Summit Edition – 1 organised by the Technology Innovation Hub of IIT Delhi on the Theme STEM for All.
- Labhansh Agarwal was a member of the winning team – Fantastic 5 who developed AGRIBOT – an AI powered soil sensor system that helps farmers choose the best crops for their land.
- The innovative experiment prepared by Navya Sharma and Samridhi Negi was selected for the National Competition on Innovative experiments for Physics organized by IAPT.
- In the Aryabhata Ganit Challenge Aashi Jain received the Merit certificate for being in the top one hundred students from Ajmer region of CBSE.
- Nirosha Srivastava received the Certificate of Merit for the CBSE Budding Authors Programme.
- In the future tech Olympiad organised at the national level, Swasti Jain of grade XI won the silver medal and Ayushman Singh of grade 7 won the bronze medal
- Vidhaan Pareek secured 1st Rank at the State Level in NSTSE -2025.
- Siddhi Bhardwaj was awarded the CISCO-CCIE Certification –one of the most prestigious and toughest certifications in the IT Networking world.
- Gauranshi Khatri received the Certificate of Excellence as a prestigious recognition of her achievement in the Mumbai Speech and Debate League 2025.
- Our Mass Media students participated in the Nationwide Competition organized by Jaipur International Film Festival 2025. Their documentary has been ranked as the top 5th and nominated for screening.
- Siya Khandelwal secured 2nd Rank at the State Level in the National Cyber Security Awareness Competition receiving a cash prize of Rs 1500/-
- Shruti Soni was the India topper for IGCSE March Series 2024 in the Subject Hindi A and was felicitated by Cambridge in the Award Ceremony held at Mumbai in January 2025.

- ❖ The school management ensures that the faculty at IIS participates in Faculty Development Programmes, bringing their learning into the classrooms, thereby ensuring holistic development of the students. Many of our faculty members have been designated as Resource Persons in CBSE. Many have been appointed by the Cambridge & IBO as examiners evaluating student responses globally.

As we conclude another successful year at IIS, we reaffirm our commitment to holistic education. As our students continue to dream big, innovate, and lead with purpose, we remain dedicated to shaping individuals who will contribute meaningfully to the society and inspire change in the world. My sincere thanks to the management & the stakeholders for believing in us and supporting us to further brighten this glorious path for a brilliant future.

- ❖ Do save the date for some of the upcoming events at IIS, 8th November is the Robo Fest, Annual Sports Day 24th December & Annual Awards Ceremony 24th January IIS looks forward to welcoming you for these events.

Warm regards

This year our School has been handpicked for the Early Access Program of National Young Authors' Fair – a rare privilege that gives the students a head start before the National launch. This unleashed the students to begin writing, publishing and shining on the National stage ahead of thousands of others across the country. 44 registered and many have already become authors from writers on Amazon.
