Examination Policy
Grade IX – 2026–27

Revised as per CBSE Circular No. Acad-70/2026 dated 29 October 2026

Dear Parents,

Please note that the Examination Policy for Grade IX - 2026–27 has been revised in accordance with CBSE Circular No. Acad-70/2026 dated 29 October 2026. The updated assessment details and important provisions are mentioned below.

Assessment Areas

S. No.	Subject	Internal Assessment (IA) – spread throughout the year and compiled at the end of the academic year	Term-End / Year-End Assessment – Written Pen-Paper Test
1	Language (R1): English	20 Marks	80 Marks
2	Language (R2): Hindi / Sanskrit / French	20 Marks	80 Marks
3	Mathematics ****Mathematics Advanced**	20 Marks	80 Marks 80 Marks + ****25 Marks**
4	Science ****Science Advanced**	20 Marks	80 Marks 80 Marks + ****25 Marks**
5	Social Science	20 Marks	80 Marks
6	Information Technology (Skill Education)	50 (Practical)	50 (Theory)
7	*Language (R3): Sanskrit (if R2 is Hindi) / Hindi (if R2 is Sanskrit or French)	15 Marks (Project Work)	85 Marks
8	Art Education	60 (Practical)	40 (Theory)
9	Physical Education & Well Being	80 (Practical)	20 (Theory)

Few Important Points w.r.t. Language 3 i.e. R3

* The R3 Language curriculum follows an Oral-First Pedagogy, assessment details mentioned below:

S. No.	Description	Weightage
1	Listening & Speaking Skills	40 Marks
2	Creative Writing Skill	15 Marks
3	Language Assessment based on Learning Resource	a) Reading Skill – 20 Marks b) Writing skill – 10 Marks
4	Project Work	15 Marks

* In **Grade X (2027–28)**, students will appear for the **School-Based Assessment in Language R3.**
* It is mandatory for students to qualify R3 with 33% marks. The result in this subject will be reflected as **Qualified / Not Qualified.**

Other Important Points

- Students opting for ****Mathematics Advanced** will write an additional examination of 25 marks of 1-hour duration along with the Mathematics examination paper. Students scoring 50% and above will have a statement in the Report Card mentioning that they have qualified the Mathematics Advanced level. For students scoring less than 50%, there will be no mention of Mathematics Advanced in the Report Card.
- Similarly, students opting for ****Science Advanced** will write an additional examination of 25 marks of 1-hour duration along with the Science examination paper. Students scoring 50% and above will have a statement in the Report Card mentioning that they have qualified the Science Advanced level. For students scoring less than 50%, there will be no mention of Science Advanced in the Report Card.
- **Information Technology – Subject Replacement Benefit:** If a student passes Information Technology and fails in any one of the three subjects—Mathematics, Science or Social Science in the Class X Board Examination, the failed subject will be replaced by Information Technology and the result of class - X Board Examination will be computed accordingly

Exam Structure

- Periodic Test I & III will be conducted in subjects at S. No. 1 to 5 (Assessment Areas table)
- Periodic Test II will be conducted in all subjects at S. No. 1 to 6 (Assessment Areas table)
- Annual Examination at the end of the year will be conducted for all subjects (Assessment Areas table)
