

# INDIA INTERNATIONAL SCHOOL

*A Heritage of Vision • A Legacy of Innovation*

September 11, 2024

Dear Parent,

Greetings from IIS !

I write this to inform you that after completing glorious twenty-four years at the IIS, Ms Mala Agnihtori has relinquished the post of Principal of the school. We will certainly miss her presence in the school as we owe a lot to her in shaping the IIS, as it is today.

Ms Nidhi Mishra has taken over as the Principal, supported by Ms Nidhi Jodha as Sr. Vice Principal and Dr Manish Kumar Sharma as the Vice Principal. I am sure this team will carry forward the legacy in an effective way.

The International Wing of the school will now be a separate entity in the name of IIS World School. Ms Mukta Khandelwal, Vice Principal will head the school and shall groom the students to become global citizens.

We plan to open admissions for the academic session 2025-26 in the 3rd week of November. We shall update you about the Schedule in due course.

With warm regards,

**Dr Ashok Gupta**  
**Director**
