IIS Commemorates 78th Day with Enthusiasm and Patriotism

Jaipur, 15th August 2024 – IIS celebrated its 78th Independence Day with grandeur, marked by a beautiful blend of patriotism, cultural performances, and inspiring messages. The event took place on the school premises and was attended by students, teachers, and staff.

The celebrations began with the ceremonial flag hoisting by the Officiating Principal Nidhi Mishra. In her address, she emphasized the significance of independence and encouraged students to uphold the values of unity, integrity, and dedication towards the nation. Her message resonated deeply with the audience, inspiring both students and teachers alike. In addition to her speech, Officiating Principal Nidhi Mishra also shared the message from Rajasthan's Education Minister, Madan Dilawar. The Minister's message emphasized the critical role of education in building a prosperous nation and encouraged students to harness their potential for the betterment of society.

Although the Director Dr. Ashok Gupta and the Principal Mala Agnihotri were unable to attend in person, they sent their heartfelt blessings and warm wishes to the entire IIS community. They extended their gratitude to the staff for their dedication and motivated the students to continue striving for excellence in both academics and citizenship.

A cultural extravaganza followed, where students showcased the essence of India's rich heritage through patriotic songs and skit. Each performance, vibrant and heartfelt, echoed the spirit of freedom and national pride. The audience was captivated, responding with thunderous applause.

The ceremony concluded with a vote of thanks, leaving everyone with a renewed sense of responsibility towards the nation. IIS remains committed to fostering a deep sense of patriotism and nation-building in its students, shaping the leaders of tomorrow.
