INDIA INTERNATIONAL SCHOOL

AASHIRWAAD CEREMONY OF CLASS XII – 2024-25

Adieu Batch of 2025

Nostalgia prevailed at the IIS campus as the juniors bid farewell to the outgoing Batch of 2025. 5th February 2025, a day to remember for every IISian, as members of their clan were graduating from IISians to ambassadors of IIS. The seniors graciously dressed for the occasion – girls looked elegant draped in saree, and the boys in tuxedos giving complex to their kind. The auspicious ceremony of handing over the reins of the school in the hands of the juniors brought a blurred vision in the eyes of the seniors on bidding adieus to their Alma Mater. The Director, though not present due to an unforeseen emergency sent his blessings that was read out amidst tears rolling down the cheeks of many who knew what the words meant. The Principal briefed and blessed the seniors making them cautious and vigilant regarding the do's and don'ts of the forthcoming exams. The stalwarts spoke one last time expressing their gratitude to their Alma Mater, their mentors, and their juniors on paving a smooth path for them. The day ended with appreciation, lifelong promises on remaining connected, just a phone call away when needed.
