MUSEUM ON WHEELS AT IIS

Write up for Museum on Wheels - India International School Mansarovar recently gave its students a unique, engaging and enjoyable learning experience when it welcomed on campus the Museum on Wheels-an initiative of the CSMVS, Mumbai. The theme for the exhibition this year is Ancient Sculptures. Students were able to gain an understanding of the art and architecture of ancient civilization through the displays and the digital interactives on board the museum.IIS also invited other schools to visit the Museum and saw enthusiastic participation from them.
