PARIKSHA PE CHARCHA-2025

Pariksha Pe Charcha, 2025 by the Honourable Prime Minister Shri Narendra Modi Ji was an insightful and inspiring session for students & teachers. His practical tips on time management, over coming anxiety, and balancing academics with extracurricular activities were highly beneficial for students. Our students found the session very engaging and fruitful. Teachers appreciated the emphasis on holistic education, while students felt more confident about examinations.

Overall, the program fostered a stress-free and innovative approach to learning.
