ROTARY CLUB JAIPUR ROUND TOWN AND BARRINGTON ROTARY CLUB COLLABORATE TO FOSTER PEACE AT IIS WORLD SCHOOL

Rotary Club Jaipur Round Town, in collaboration with Barrington Rotary Club (RID 6440), has taken a significant step towards promoting peace and harmony by establishing "Peace Building Benches" at IIS World School, Jaipur. In today's world, where conflicts and discord are prevalent, the Peace Bench Project aims to cultivate spaces where individuals, particularly children, can come together to learn, reflect, and foster understanding. The installation of these Peace Benches at IIS World School highlights the importance of peace education for young minds. As part of this visionary project, both Rotary Clubs aim to inspire the younger generation to lead with compassion and empathy, laying the foundation for a harmonious society. Rotary Club Jaipur Round Town and Barrington Rotary Club extended their heartfelt gratitude to IIS World School for their unwavering support and enthusiasm in hosting this project. The Peace Bench Project is a testament to the power of collaboration and shared values in creating a brighter, more peaceful future for generations to come.
