

IISians at the Seedling School's Challengers Trophy (16th – 18th April)

The Challengers Trophy held at Seedling School from 16th to 18th April was a remarkable platform for showcasing the sporting talent and competitive spirit of our students. IISians participated with great enthusiasm and performed commendably across multiple disciplines.

In basketball, both our boys' and girls' teams demonstrated skill and teamwork. The boys' team advanced to the quarter-finals, showing excellent coordination and resilience throughout their matches. The girls' team gave a spirited performance and progressed to the hardline match, displaying determination and sportsmanship.

Our table tennis boys' team made us proud by securing the 3rd position, reflecting their consistency and competitive edge in every game they played.

In volleyball, our boys' team reached the quarter-finals, showcasing their strength and agility on the court. The girls' team went a step further, qualifying for the semi-finals, where they played with great energy and tactical awareness.

Additionally, in karate, our boys' team put up a strong fight and successfully reached the semi-finals, underlining their discipline, technique, and focus.

Overall, the performance of our students was outstanding and a testament to their hard work, rigorous training, and the guidance provided by our dedicated coaching staff. We are proud of every participant and look forward to even greater achievements in future tournaments.
