LA FÊTE DE L'AMITIÉ CELEBRATED WITH JOY AND CULTURAL ZEAL AT INDIA INTERNATIONAL SCHOOL

14 July 2025, Amphitheater — The school came alive with color and cheer as students celebrated *La Fête de l'Amitié*, showcasing the vibrant essence of French and Japanese culture. The event, led entirely by students, featured melodious French songs, elegant ramp walks, and energetic dances. The highlight was a mural of the Eiffel Tower blending into Mount Fuji—symbolizing unity through art. Adding to the joy, our friends from the Netherlands also witnessed the program and extended their warmth across borders, making the celebration even more special. Every element reflected student enthusiasm and creativity. The atmosphere buzzed with excitement, leaving the audience impressed. It was a true celebration of friendship, cultural exchange, and youthful energy.
