

IBDP STUDENTS EXPLORE GLOBAL OPPORTUNITIES AT IDP UNIVERSITY FAIR

IBDP STUDENTS EXPLORE GLOBAL OPPORTUNITIES AT IDP UNIVERSITY FAIR

Our IBDP students attended a University fair organised by IDP at Hotel Radisson, City Centre. This University fair had University representatives from New Zealand, Canada and Australia. Students got to interact first hand with these representatives and gain useful information with respect to the admission process, fees, courses and other important details. This was an opportunity for them to explore new avenues and locations for higher studies.
