

An Orientation Session for grade V students-2024-25 & their parents was organised by the school on 8th March, 2025 to apprise parents on how the Middle school at IIS prepares & shapes the students to move forward in their educational journey as active learners.

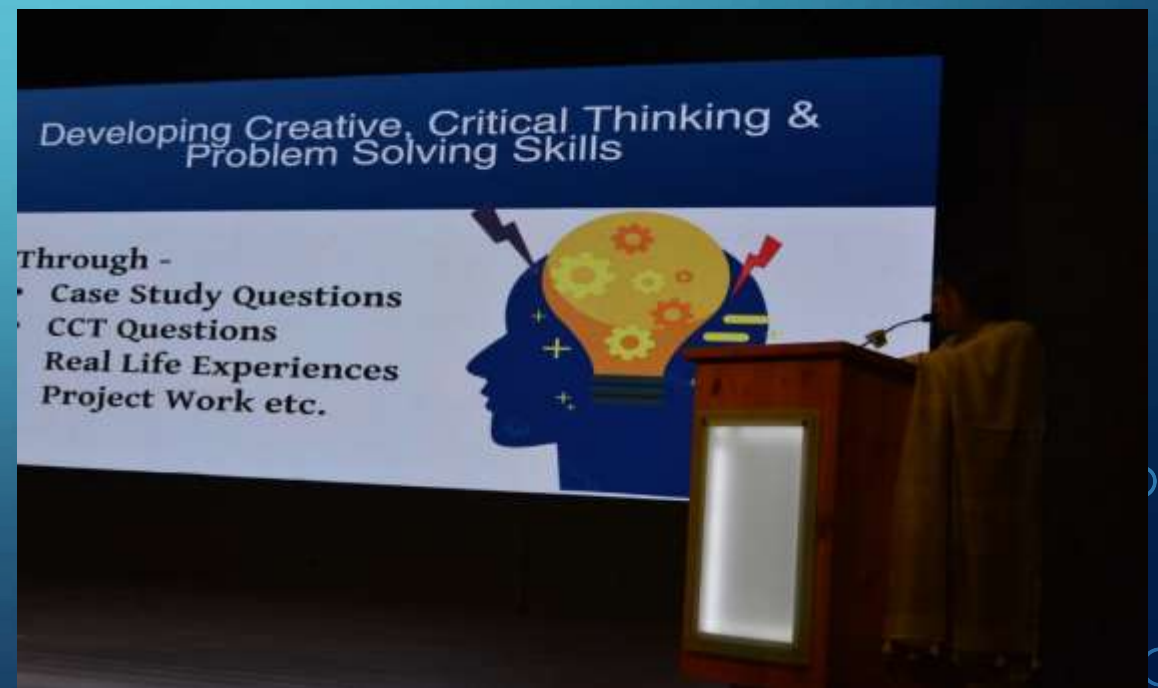

The purpose of this session was to facilitate a smooth transition of students from Primary wing to the Middle wing.

For parents who could not make it to the session, a letter conveying the points discussed during the Orientation Session along with the PPT was shared.

ORIENTATION SESSION FOR
CLASS-VI -2025-26

Varied Exposures & Quality Educational Experiences

Field Trips

The image shows a woman in a beige sari speaking at a wooden podium. Behind her is a large presentation screen. The screen displays the text "Varied Exposures & Quality Educational Experiences" at the top. Below the text, there are two photographs: the top one shows a group of people in a colorful, busy setting, and the bottom one shows a group of people sitting around a long table in a meeting or workshop. The text "Field Trips" is written in a large, bold font on the left side of the screen.

Skill Subjects

- #1 Mass Media - Being Media Literate
- #2 Financial Literacy
- #3 Design Thinking

Varied Exposures & Quality Educational Experiences

INDIA INTERNATIONAL SCHOOL

A Heritage of Vision • A Legacy of Innovation

8th March, 2025

Dear Parent,

Greetings! We missed you at the Orientation Session for grade VI -2025-26 held today morning. Sharing with you the important points discussed **along with the PPT (attached)**

The transition from Primary wing to Middle wing aims at making our students independent learners who have their own beliefs, mindset and opinion.

The middle school years focus on strengthening academics, building conceptual knowledge, developing a scientific temperament and equipping them with a skill set comprising of social, emotional, collaborative, creative, critical thinking and problem solving skills.

The variety of exposures and experiences provided to the students, the sessions on Mental Health and Well Being, Life Skills and Value Education, make them future ready citizens.

At IIS, it is our constant endeavour to reinvent ourselves. Sharing all that's new for grade VI:

w.r.t Academics

- Increase in the number of subjects, wider syllabus & new concepts.
- **Artificial Intelligence** in place of IT.
- Introduction of a **third language**. We offer Sanskrit, French, & Japanese. Students will opt for any one out of these three subjects as their third language.
- **Skill Subjects** - Mass Media, Financial Literacy & Design Thinking and Innovation. Students will opt for any one out of these three subjects according to their interest and needs.

w.r.t Assessments

- We now have Periodic Tests, Half Yearly Exam, Annual Exam and IAs.
- The Term End written exam (Half Yearly/Annual Exam) will be of 3 hour duration and 80 marks weightage.
- Pen instead of a pencil will now be used for writing.
- The Term end Report Card will look different.

w.r.t Activities

- Students will get more platforms to showcase their talent.
- They can join the Morning Sports Academies and also be a part of the School Sports team for various games.
- Greater opportunities to participate in the Inter House activities, Club activities, the Annual Function & the Annual Sports Day.

In case of a concern, please feel free to contact me on any working day between 10:30 a.m. and 11:30 a.m.

Warm regards

Nidhi Mishra

Interdisciplinary Learning

(providing students an opportunity to apply knowledge learnt across different disciplines/areas)

What's New?

Academic Subjects

- the number of subjects will increase now
- wider syllabus
- new concepts

1

**Artificial Intelligence
(in place of IT)**

2

**Science
(Physics, Chemistry, Biology)**

3

**Social Science
(History, Geography, Civics & Eco)**

4

Mathematics

5

English

6

Hindi

3rd Language

(7th Subject)

01

02

03

The grade 6 sections will be as per the 3rd Language opted by the students

Skill Subjects

- These hour skill modules with a 12 hour duration during one academic year
- Students will have the choice to opt for any of these 3 subjects.
- **Whatever you choose continues as the skill subject till grade 8. No changes later. So, make the right choice**

1

Mass Media - Being Media Literate

2

Financial Literacy

3

Design Thinking and Innovation

About Skill Subjects

1. Mass Media:

You will learn to communicate effectively through various modes – verbal, digital & written.

2. Financial Literacy:

It is a crucial life skill that we all should possess.

It refers to the ability to understand and apply financial skills effectively, including personal financial management, budgeting, and saving.

3. Design Thinking and Innovation -

Design is about understanding needs and being sensitive to issues, identifying problems that need to be solved, creating innovative appropriate solutions, considering aspects of sustainability.

Middle Wing Updates

The exam nomenclature will now change to Periodic Test, Half Yearly Exam, Annual Exam & IAs.

Term End Written Assessment – 80 marks

(Duration – 3 hours)

Internal Assessment – 20 marks

(Spread throughout the year)
