## VERB CITY ACTIVITY REPORT

NAME: Verb City CLASS: CPP-3 VENUE: Microsoft teams (online platform)

PURPOSE: To assess students' thinking, creativity, and communication skills. METHODOLOGY: the students had to keep a picture of any place, an A-4 size sheet, and a glue stick ready. The students knew about this two days before the activity. On the scheduled day, the students pasted pictures on the paper, made a cloud around it, and wrote ACTION WORDS(VERBS) related to it.

## **PIECES OF EVIDENCE:**

REFLECTION: The students participated in the activity enthusiastically and wholeheartedly. There was a lot of discussion regarding VERBS. The project was a righteous medium to recall and learn something new about VERBS.
