

India International School MUN-2019

The fourth chapter of the IIS MUN was organized in the school premises on 13th & 14th May 2019. This landmark event in the school's annual calendar has grown exponentially each year and this year's Conference carried forward the legacy of the earlier MUNs.

Five UN committees were simulated – The UN Security Council with its agenda- “Reviewing the Situation in Yemen”; the General Assembly DISEC with its agenda “ Preventing the weaponization of Space; the ECOSOC which delved into the social and economic challenges of fulfilling Sustainable Development Goal 9 on industrial development; the Lok Sabha which witnessed hectic parleys on the issue of “Right to Freedom with special emphasis on Sedition Act” and the fifth committee comprised of lens men and women, budding cartoonists as well as incisive journalists of the International Press.

The School Principal Ms. Mala Agnihotri conveyed her best wishes to all delegates at the Opening Ceremony and reminded them of their vital role as the catalysts of future change and progress. The Event marked two days of a flurry of activities which made the young leaders and diplomats learn key skills of negotiations, debates, deliberations, conflict resolution and peace building. These valuable experiences will surely help them to grow into confident global citizens.

The Director of IIS, Dr. Ashok Gupta congratulated all participants for their involvement in matters of global concern and their diplomatic skills. He highlighted the relevance of proceedings and code of conduct in national and international legislatures and organizations.

Prizes were given to delegates of all committees by the School Director and Principal. These included Best Delegate, High Commendation, Special Mention and Verbal Mention. The Event was a major success and every participant gained immensely through the crucial interactions.
