Embarking on an exploration of 7 pivotal qualities instrumental in shaping the legacy and aura of the gigantic persona of the Godfather of Education, a cultural program was showcased amidst the joy of unmatched legacy and nostalgic moments doing full justice to the Midas golden touch of this mammoth personality.

The Birla Auditorium was jam-packed with parents flocking in numbers never seen before, the alumni poured in to pay their homage to their sculptor who'd carved and chiseled their lives. The Chairperson Mr. Amit Gupta Sir and the Co-Chair and Director, Mr. Sumit Gupta Sir along with the Principal Ms. Nidhi Mishra ma'am escorted the Chief Guest, Shri Biju George Joseph, Commissioner of Police to the Auditorium after the ritual of the tikka ceremony. The invocation sparked the ambience adding a further glitter after seeking the blessings of Goddess Saraswati. The programme gained momentum after the welcome note by the Chair, Co-Chair and the speech of the Chief Guest. The parents were elated when the Principal, Ms. Nidhi Mishra ma'am read out the school report flaunting the achievements of the proud IISians and giving a reassurance to the parents that their ward is in the best hands and IIS stands firmly on grounds of discipline and proficiency par excellence.

The much awaited moment that showcased the oratory acumen, the musical talent and the display of magical dances- an amalgamation of the Indian cultural heritage agglutinated the audience with the jaw dropping performances of the IISians.
