JULY 2025 NEWSLETTER

July: A Journey of Growth, Grit, and Gratitude

The month of July at India International School, Sitapura, was a vibrant reflection of our steadfast commitment to holistic development and joyful learning. It was a time when the campus thrived with energy, innovation, and collective spirit. From rigorous academic pursuits and insightful assessments to creative competitions and engaging early childhood activities, every corner of the school echoed with purposeful action. Faculty members embraced professional enrichment through thoughtful training sessions, while students explored their strengths through a variety of events that encouraged expression, critical thinking, and collaboration. Our little learners at NEEV found joy in experiential activities, laying the foundation for lifelong curiosity. Each moment of July nurtured confidence, curiosity, and character—empowering both learners and educators to grow beyond the traditional boundaries of the classroom. As we step into the coming months, we carry forward the learnings, laughter, and leadership that July offered, with renewed zeal, clarity, and hope.

PLAY, CREATE, CELEBRATE: A JOYOUS MONTH AT NEEV!

At NEEV, each day blossoms with moments of laughter, creativity, and holistic learning — and this month was no exception! Our little trailblazers joyfully engaged in a delightful duo of activities that blended fun with foundational life skills.

The ever-joyous hopscotch game turned our vibrant play zone into a symphony of giggles and cheerful jumps. As children hopped from one square to another, their faces beamed with joy, fostering not just physical agility but also team spirit and social interaction. This age-old game, rich in tradition, brought a refreshing burst of energy to our young learners, becoming the perfect pause from routine and a boost of playful positivity.

Adding to this spectrum of joyful exploration, our young eco-warriors turned into little artists as they crafted beautiful butterflies using leaves. This imaginative activity wasn't just about art—it became a gentle lesson in environmental consciousness. With each leaf, they discovered the beauty of nature's shapes, textures, and colors, translating them into vibrant winged creations. It nurtured their curiosity, fine motor skills, and love for Mother Earth—all through the simple act of crafting with natural elements.

From rhythmic hops to leafy flutters, the month reflected the spirit of NEEV — where learning is woven with wonder, and every activity becomes a stepping stone towards joyful growth.

“EAT BETTER, FEEL BETTER” – A SWEET STEP TOWARDS HEALTHIER HABITS

As a part of the CBSE health and wellness initiative, India International School, Sitapura, curated an engaging and educational experience for its young learners under the theme “Eat Better, Feel Better”. Students from the foundational stage were introduced to the importance of healthy eating through an enlightening visit to the thoughtfully designed School Sugar Awareness Board.

The vibrant and visually appealing board, creatively prepared by senior students, featured animated charts, catchy slogans, and a comprehensive display of healthier sugar alternatives. From natural sweeteners to sugar-smart snack ideas, the board served as a colorful guide to better choices, empowering little learners with knowledge about the dangers of excessive sugar consumption.

Informative visuals and simple do's and don'ts helped students distinguish between nutrient-rich options and sugar-loaded temptations. Through this interactive experience, the school aimed to instill lifelong habits of mindful eating and conscious decision-making in its young learners.

This initiative reflects the school's unwavering commitment to nurturing not just academic excellence but also wholesome well-being, ensuring that students grow up strong, aware, and ready to embrace a healthier lifestyle—one smart bite at a time!

A VISION FOR WELLNESS: IIS SITAPURA'S LEADERSHIP IN NATIONAL SCHOOL HEALTH PROGRAMME

The Principal, India International School, Sitapura, Dr. Anju Jaideep, was one among the four principals nominated from the Ajmer region for the national conference on School Health and wellness Programme (SHWP), held from 7th to 11th July 2025. This five-day workshop, jointly conducted by UNESCO, CBSE, and NCERT, brought together 112 school leaders from 14 states and Union Territories to focus on building healthier and happier school environments.

This enriching programme trained school leaders to become Master Trainers, empowering them to lead health and wellness initiatives in schools. With the addition of this batch, there are now 868 Master Trainers across India, each contributing to the SHWP's reach in over 30,000 CBSE-affiliated schools.

The workshop covered 11 key areas related to student well-being, including:

- Physical and emotional health
- Mental well-being
- Gender sensitivity and equality
- Prevention of substance abuse and violence
- Digital safety
- Healthy eating habits
- Safety and security of children in School

It aimed at equipping leaders with the tools and knowledge to create a nurturing environment that supports the overall growth of every child.

The valedictory session was graced by key dignitaries, including Shri Anand Rao Patil (IAS, Additional Secretary, Ministry of Education), Mr. Sanjib Das (CBSE Regional Director), and Ms. Sarita Jadav (National Programme Officer, UNESCO), who praised the programme's impact on holistic education.

Dr. Jaideep's participation highlights IIS Sitapura's deep commitment to the well-being of its students. As a certified Master Trainer, she will now play a key role in guiding other educators and spreading wellness practices in schools across the region.

STUDENTS EXCEL IN JULY ASSESSMENTS

The month of July marked a significant academic milestone as Formative Assessment 1, Periodic Test 1, and Test 1 were conducted successfully across various grades at IIS Sitapura.

The assessments were held in a smooth and structured manner, providing students with an opportunity to review their learning, strengthen their understanding, and reflect on their academic progress.

These evaluations play a crucial role in monitoring student development and preparing them for future academic challenges. We commend the efforts of our students and teachers for their dedication and timely execution of the assessment schedule.

YOUNG FRANCOPHONES OF IIS SHINE AT INTER-SCHOOL FRENCH FEST

The corridors of culture came alive as students from India International School, Sitapura proudly participated in the Inter-School French Competition – “La Vitrine Française Artistique”, hosted by Maharaja Sawai Bhawani Singh School. Six enthusiastic students from Classes 6 and 7 stepped into the vibrant world of French language and culture, participating in events like “L’Art de la Pub” (French Advertisement) with great zeal and imagination. Dev Pratap, Akshita, Riddhi Tambi, Pragunn Kaur – Class 7, Samriddhi Dadhich, Annanya – Class 6 these young linguists displayed exceptional creativity, collaboration, and command over the language, leaving a lasting impression with their confident performances. The competition offered a vibrant platform to explore the richness of French expression, advertising flair, and cultural understanding.

It was a day of learning, laughter, and linguistic celebration – one that broadened their horizons and deepened their love for global languages.

We appreciate the participants for being wonderful ambassadors of IIS’s global vision and applaud them for making us proud on such a prestigious platform.

PETALS POWER HOUSE EDITION 2.0: A VIBRANT SYMPHONY OF TALENT AND TEAM SPIRIT

India International School, Sitapura, bloomed in full splendour as it witnessed the grand unfolding of Petals Power House (PPH) Edition 2.0 which was held on 19 July 2025. It is a student led activity where all the events are planned, organised and executed by the student council. Also an exuberant inter-house celebration of intellect, imagination, innovation and expression. The school campus came alive with a dazzling spectrum of colours, creativity, and camaraderie, echoing with the enthusiasm of young minds ready to make their mark.

The event was a dynamic mosaic of thought-provoking activities and joyful engagement, seamlessly weaving academics with artistry. Students participated wholeheartedly in a diverse array of competitions that stimulated both heart and mind—ranging from the Quiz and Aatmkatha (Self-Narrative in Hindi) for juniors and seniors, Inventive Snippet Making, Science-based Toy Creation, Board Decoration, and Salad Dressing. Each event was meticulously curated to ignite curiosity, foster collaboration, and cultivate creative confidence among the participants.

With boundless energy and spirited enthusiasm, the four houses—Carnations, Daffodils, Orchids, and Tulips—competed with unwavering pride. The entire school turned into a canvas of vibrant house colours, showcasing not only the aesthetic talents of the students but also their ability to think critically, communicate effectively, and work synergistically as a team. Classrooms turned into innovation labs, hallways into galleries of ideas, and hearts into vessels of house spirit and unity.

An added feather in the cap of the occasion was the gracious presence of our distinguished alumni—Devansh Agarwal, Poorvi Mathur, Ashka Goyal, and Pawan Manghnani—who returned to their alma mater as esteemed judges. Their gracious presence and inspiring journeys left an indelible mark, reminding every student of the enduring legacy of excellence that India International School continues to nurture.

The event was exquisitely envisioned and executed by the ever-dedicated Student Council, whose flawless coordination and leadership reflected their maturity, organisational finesse, and unwavering commitment. PPH Edition 2.0 was more than just a competition—it was a celebration of identity, unity, and boundless creativity, echoing the school's core mission to cultivate confident, compassionate, and forward-thinking leaders of tomorrow.

YOUNG TALENTS SHINE AT CAMBRIDGE COURT HIGH SCHOOL!

India International School, Sitapura, proudly participated in the Inter-School Competition on 23rd and 24th July, hosted by Cambridge Court High School, where creativity, confidence, and charisma took center stage. Our vibrant young learners from Class 8 enthusiastically showcased their talents in a variety of engaging events, including the graceful Fashion Walk, soulful Poem Recitation, artistic Stamp Designing, and the ever-exciting Fireless Cooking.

Representing the school with elegance and energy were Raghav Goyal, Dhruv Tibrewal, and Monishka Gehlot, who participated in the Fireless Cooking event. Their innovative presentation and culinary creativity reflected not only teamwork but also a keen sense of healthy living and aesthetic flair and bagged third Position.

Each entry reflected the students' passion, preparation, and willingness to explore new avenues of self-expression. The event proved to be an enriching platform where students exchanged ideas, learned from peers, and displayed their unique skills with great enthusiasm.

The school commends the efforts of all participants for carrying the IIS spirit forward with such grace and dedication. The memories made and the confidence gained during this event will surely leave a lasting impression on their academic journey.

VOICE OF YOUTH ECHOES IN THE YOUNG INDIAN PARLIAMENT 2.0

LEADERSHIP, DEBATE, DEMOCRACY IN ACTION

India International School, Sitapura, takes immense pride in celebrating the participation of two promising learners—Aditi Goyal and Ayush Jha from Class 11 at the prestigious Young Indian Parliament 2.0, held at the Jaipur level. This intellectually enriching two-day simulation brought together over 130 young delegates from across the region, offering a powerful platform to experience the inner workings of the Indian parliamentary system.

Aditi Goyal, representing the Ruling Party from Ambedkar Nagar constituency, Uttar Pradesh, displayed remarkable poise, preparedness, and political insight. With eloquent speeches, well-researched arguments, and active involvement in bill drafting and parliamentary debates, Aditi emerged as a voice of clarity and conviction. Her calm composure and articulate perspectives drew appreciation from the distinguished panel, showcasing her as a leader in spirit and substance.

Ayush Jha, on the other hand, represented the Opposition Party, delivering critical counterpoints and policy evaluations with confidence and clarity. His analytical contributions and impactful communication earned him a selection for Round 2 of the conference—a notable achievement and testament to his strategic thinking and leadership potential.

From election of parliamentary roles to the creative presentation of party ideologies, both students embodied democratic values and collaboration. Their participation reflected the essence of responsible citizenship and youthful leadership.

FOSTERING FUTURES: A THOUGHT-PROVOKING INTERACTIVE SESSION WITH PARENTS

India International School, Sitapura, recently organized an insightful Orientation and Awareness Session on 28th June 2025, dedicated to strengthening the school-home partnership and enlightening parents on evolving educational practices under the NEP 2020 framework.

The session began with Ms. Jyoti Sudarshan, who provided a clear and comprehensive overview of the Holistic Progress Card (HPC). She explained how this innovative assessment goes beyond academics to evaluate emotional, social, and life skills—encouraging a more balanced and meaningful learning experience.

Ms. Vandana Datwani followed with an informative presentation on the National Credit Framework (NCrF), highlighting its flexibility, interdisciplinary learning approach, and recognition of diverse skills, which mark a significant shift towards student-centered education.

Adding practical relevance, Ms. Hemlata Tiwari emphasized the importance of vocational education, illustrating how skill-based subjects develop independence, creativity, and career readiness among students.

The session concluded with a health-focused awareness talk by Mr. Rajeev Paliwal, who discussed the impact of excessive sugar consumption and the rising concern of childhood obesity. His engaging session encouraged families to make mindful lifestyle choices for long-term wellness.

The event beautifully reinforced the vital role of parental involvement in a child's educational journey. It reflected the school's unwavering commitment to holistic growth, academic excellence, and community collaboration—ensuring that learners are well-prepared for the challenges and opportunities of the future.

EMPOWERING EDUCATORS: A JOURNEY THROUGH POSITIVITY AND APPRECIATION

India International School, Sitapura, recently embarked on an inspiring journey of professional enrichment by hosting a transformative Faculty Development Program on the Appreciative enquiry on 1st of July, led by the charismatic and deeply motivational Mr. Vikrant Bahari.

The session unfolded as a harmonious blend of interaction, introspection, and inspiration, where educators engaged in thoughtfully curated activities designed to illuminate their inner strengths, celebrate personal and professional milestones, and embrace the enduring power of positivity and perseverance.

With his energetic presence and compassionate guidance, Mr. Bahari unveiled empowering strategies to navigate classroom challenges, turning everyday obstacles into stepping stones for growth and resilience. He profoundly highlighted the impact of genuine appreciation on a child's emotional and academic development, illustrating how simple, heartfelt acknowledgment can spark self-belief, motivation, and emotional security in young minds.

The workshop served as a powerful reminder of the pivotal role teachers play as architects of change, encouraging them to lead with empathy, optimism, and encouragement. Enriching and deeply reflective, the session left the faculty inspired and empowered, equipping them with practical tools and renewed purpose to build nurturing, affirming, and growth-oriented learning spaces. It was indeed a soul-stirring experience, reinforcing the school's steadfast commitment to cultivating excellence, emotional intelligence, and holistic development in every learner.
